CLOSING ORDER

THE COMPLAINT: Alleges violation Section 490.012(1), Florida Statutes, by engaging in the unlicensed activity of psychological counseling.

THE FACTS: A complaint was initiated alleging the Subject has been holding himself out as a "Psychologist" without being duly licensed to engage in this activity.

The investigation revealed the Subject's name was found in the Sarasota Yellow Pages under the heading of "Psychologists". When attempts to reach the Subject failed, a Diligent Search was conducted. Apparently, the Subject has left the area and the unlicensed activity has stopped.

THE LAW: Based on the above, there is probable cause to believe the Subject has violated Chapter 490, Florida Statutes. However, this case will be closed in that the unlicensed activity has stopped and the Subject cannot be located.

It is, therefore, ORDERED that the complaint be and the same is hereby DISMISSED.

DONE and ORDERED this 30th day of May, 1990.
