Vickie Marshall - Teen Screen

**From:** Steven Hope  
**To:** Penn High Staff@phm.k12.in.us  
**Date:** 11/5/2004 1:10:05 PM  
**Subject:** Teen Screen

Teachers,

Madison Center will be offering a free screening to all sophomore students to identify those student who may be at risk for mental illness and/or suicide. The "TeenScreen" will help identify students who are not already receiving help and are not known by school counselors or teachers to have problems.

Screening will take place during home room resource time as much as possible. Students who are scheduled to be dismissed to TeenScreen or return from TeenScreen late to class will be given a Purple TeenScreen pass from Guidance. Please help us in administering this important screening by releasing your students as scheduled. Students should still be able to participate in resource, but please be flexible.

Sophomore HR teachers will receive specific direction from Marni Cronk and Vickie Marshall.
