SURRENDER OF LICENSE

Case # 2800-06-003

I, Ernest J. Steinhilber, voluntarily surrender my license # MED S 4134, which was first issued to me on October 15, 1998, and has an expiration date of December 31, 2010.

I am surrendering my above license at this time with the understanding that the Division of Corporations, Business and Professional Licensing is conducting an active investigation under case number 2800-06-003 on behalf of the Alaska State Medical Board, concerning allegations that my license has been disciplined in other states. Specifically, my license was revoked in New York, suspended in Virginia, and I surrendered my license in Connecticut, Kentucky, Massachusetts, and Pennsylvania.

I understand that as a result of this surrender, I cannot practice as a physician in the State of Alaska, and will not be able to do so until I have the approval of the State Medical Board. I further understand that before my license to practice as a physician in Alaska can be reinstated, I will have to prove to the above Board that I am competent to resume practice, and am able to do so with skill and safety. If I make such request for reinstatement, and I am denied by the Board, I have the right to a Hearing, pursuant to AS 44.62, of the Administrative Procedure Act.

I am surrendering my license of my own free will. I am not under the influence of any medicine or other drugs that would affect my ability to think clearly and rationally. No promises or threats have been made to me by anyone to make me sign this document.

  
Ernest J. Steinhilber
