**PUBLIC LETTER OF REPRIMAND**

An investigation by the Medical Board of California revealed that you failed to evaluate a patient's cardiovascular status prior to initiating treatment with an anti-psychotic. Specifically, you should have taken a baseline EKG, and follow-up EKG's while treating a patient with Orap. These actions are in violation of California Business and Professions Code section 2234(c).

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.

A handwritten signature in black ink, appearing to read 'D. T. Thornton', written over a horizontal line.
