CEASE PRACTICE ORDER

In the Medical Board of California (Board) Case No. 8002014009758, the Board issued a Decision adopting a Stipulated Settlement and Disciplinary Order which became effective December 29, 2017. In the Board's Order, Physician's and Surgeon's License No. A81272, issued to KARL BANDYAN, M.D., was revoked, with revocation stayed, and Respondent was placed on probation for 7 years with terms and conditions.

Probationary Condition No. 9 requires Respondent, within 60 calendar days from the effective date of the Decision, to enroll in a Clinical Competence Assessment Program approved in advance by the Board or its designee. Respondent shall successfully complete the program not later than six (6) months after Respondent's initial enrollment unless the Board or its designee agrees in writing to an extension of that time. If Respondent fails to enroll, participate in, or successfully complete the clinical competence assessment program within the designated time period, Respondent shall receive a notification from the Board or its designee to cease the practice of medicine within three (3) calendar days after being so notified. The Respondent shall not resume the practice of medicine until enrollment or participation in the outstanding portions of the clinical competence assessment program have been completed. If the Respondent does not successfully complete the clinical competence assessment program, Respondent shall not resume the practice of medicine until a final decision has been rendered on the accusation and/or petition to revoke probation. The cessation of practice shall not apply to the reduction of the probationary time period.

The Respondent has failed to obey Probationary Condition No. 9, as ordered in the above-referenced Decision, by failing to enroll in a Clinical Competence Assessment Program. Accordingly, within 3 calendar days from the date of this Order, Respondent, KARL BANDYAN, M.D., is prohibited from engaging in the practice of medicine. The Respondent shall not resume the practice of medicine until Respondent enrolls in the Clinical Competence Assessment Program.

IT IS SO ORDERED March 9, 2018 at 5:00 p.m.

KIMBERLY KIRCHMEYER
