RE: NOTICE OF OUT OF STATE SUSPENSION ORDER

California License: A 51207

Case Number: 800-2017-037999

Dear Dr. Rajaratnam:

California Business and Professions Code section 2310 authorizes the Medical Board of California to immediately suspend the California medical license of any physician and surgeon whose medical license has been suspended or revoked in any other state or by any agency of the federal government. A copy of Business and Professions Code section 2310 is enclosed for your review.

The Medical Board of California has determined, upon review of certified documents from the Maryland State Board of Physicians, that your Maryland license to practice medicine was suspended on October 10, 2017 and subsequently revoked on March 1, 2018. Based on this suspension, your California medical license has been suspended effective immediately. This action will be reported to the National Practitioner Data Bank and the Federation of State Medical Boards.

You have a right to a hearing on the issue of penalty, as provided by Business and Professions Code section 2310(c). This hearing will be held within 90 days from the date of request. You may send this request to:

Jane Zack Simon
Supervising Deputy Attorney General
Department of Justice
455 Golden Gate Avenue, Suite 11000
San Francisco, CA 94102

Should the status of your medical license in Maryland change, please notify us immediately. If you have any questions regarding this matter, please contact Sara Pasion at (916) 263-2624.

Sincerely,

Kimberly Kirchmeyer
Executive Director
