18 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
19 entitled proceedings that the following matters are true:

20 PARTIES

21 1. Kimberly Kirchmeyer (Complainant) is the Interim Executive Officer of the Medical
22 Board of California. She brought this action solely in her official capacity and is represented in
23 this matter by Kamala D. Harris, Attorney General of the State of California, by Cindy M. Lopez,
24 Deputy Attorney General.

27 Floor, Los Angeles, California 90010-2719.
28

1 CULPABILITY

2 8. For the purpose of resolving the Second Amended Accusation/Petition to Revoke
3 Probation, No. D1-2007-181061 without the expense and uncertainty of further proceedings,
4 Respondent admits that the averments contained therein, if proven, would establish a prima facie
5 basis for imposing disciplinary action on Respondent's Physician and Surgeon's Certificate.

6 9. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
7 discipline and he agrees to be bound by the Board's probationary terms as set forth in the
8 Disciplinary Order below.

9 CONTINGENCY

10 10. This stipulation shall be subject to approval by the Medical Board of California.
11 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
12 Board of California may communicate directly with the Board regarding this stipulation and
13 settlement, without notice to or participation by Respondent or his counsel. By signing the
14 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek
15 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
16 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
17 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
18 action between the parties, and the Board shall not be disqualified from further action by having
19 considered this matter.

20 11. The parties understand and agree that facsimile copies of this Stipulated Settlement
21 and Disciplinary Order, including facsimile signatures thereto, shall have the same force and
22 effect as the originals.

23 12. In consideration of the foregoing admissions and stipulations, the parties agree that
24 the Board may, without further notice or formal proceeding, issue and enter the following
25 Disciplinary Order:

26 **DISCIPLINARY ORDER**

27 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 86314 issued
28 to Respondent Neal Stuart Mazer, M.D. (Respondent) is revoked. However, the revocation is

1 stayed, and Respondent's probation imposed on May 24, 2010 is extended for three (3) years, on
2 the following terms and conditions.

3 1. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of
4 the effective date of this Decision, Respondent shall enroll in a professionalism program, that
5 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.
6 Respondent shall participate in and successfully complete that program. Respondent shall
7 provide any information and documents that the program may deem pertinent. Respondent shall
8 successfully complete the classroom component of the program not later than six (6) months after
9 Respondent's initial enrollment, and the longitudinal component of the program not later than the
10 time specified by the program, but no later than one (1) year after attending the classroom
11 component. The professionalism program shall be at Respondent's expense and shall be in
12 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

13 A professionalism program taken after the acts that gave rise to the charges in the
14 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
15 or its designee, be accepted towards the fulfillment of this condition if the program would have
16 been approved by the Board or its designee had the program been taken after the effective date of
17 this Decision.

18 Respondent shall submit a certification of successful completion to the Board or its
19 designee not later than 15 calendar days after successfully completing the program or not later
20 than 15 calendar days after the effective date of the Decision, whichever is later.

21 2. PROFESSIONAL BOUNDARIES PROGRAM. Within 60 calendar days from the
22 effective date of this Decision, Respondent shall enroll in a professional boundaries program
23 equivalent to the Professional Boundaries Program offered by the Physician Assessment and
24 Clinical Education Program at the University of California, San Diego School of Medicine
25 ("Program"). Respondent, at the Program's discretion, shall undergo and complete the Program's
26 assessment of Respondent's competency, mental health and/or neuropsychological performance,
27 and at minimum, a 24 hour program of interactive education and training in the area of
28 boundaries, which takes into account data obtained from the assessment and from the Decision(s),

1 Accusation(s) and any other information that the Board or its designee deems relevant. The
2 Program shall evaluate Respondent at the end of the training and the Program shall provide any
3 data from the assessment and training as well as the results of the evaluation to the Board or its
4 designee.

5 Failure to complete the entire Program not later than six (6) months after Respondent's
6 initial enrollment shall constitute a violation of probation unless the Board or its designee agrees
7 in writing to a later time for completion. Based on Respondent's performance in and evaluations
8 from the assessment, education, and training, the Program shall advise the Board or its designee
9 of its recommendation(s) for additional education, training, psychotherapy and other measures
10 necessary to ensure that Respondent can practice medicine safely. Respondent shall comply with
11 Program recommendations. At the completion of the Program, Respondent shall submit to a final
12 evaluation. The Program shall provide the results of the evaluation to the Board or its designee.
13 The professional boundaries program shall be at Respondent's expense and shall be in addition to
14 the Continuing Medical Education (CME) requirements for renewal of licensure.

15 The Program has the authority to determine whether or not Respondent successfully
16 completed the Program.

17 A professional boundaries course taken after the acts that gave rise to the charges in the
18 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
19 or its designee, be accepted towards the fulfillment of this condition if the course would have
20 been approved by the Board or its designee had the course been taken after the effective date of
21 this Decision.

22 3. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
23 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
24 Chief Executive Officer at every hospital where privileges or membership are extended to
25 Respondent, at any other facility where Respondent engages in the practice of medicine,
26 including all physician and locum tenens registries or other similar agencies, and to the Chief
27 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
28 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15

1 calendar days.

2 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

3 4. SUPERVISION OF PHYSICIAN ASSISTANTS. During probation, Respondent is
4 prohibited from supervising physician assistants.

5 5. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
6 governing the practice of medicine in California and remain in full compliance with any court
7 ordered criminal probation, payments, and other orders.

8 6. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
9 under penalty of perjury on forms provided by the Board, stating whether there has been
10 compliance with all the conditions of probation.

11 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
12 of the preceding quarter.

13 7. GENERAL PROBATION REQUIREMENTS.

14 Compliance with Probation Unit

15 Respondent shall comply with the Board's probation unit and all terms and conditions of
16 this Decision.

17 Address Changes

18 Respondent shall, at all times, keep the Board informed of Respondent's business and
19 residence addresses, email address (if available), and telephone number. Changes of such
20 addresses shall be immediately communicated in writing to the Board or its designee. Under no
21 circumstances shall a post office box serve as an address of record, except as allowed by Business
22 and Professions Code section 2021(b).

23 Place of Practice

24 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
25 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
26 facility.

27 License Renewal

28 Respondent shall maintain a current and renewed California physician's and surgeon's

1 license.

2 Travel or Residence Outside California

3 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
4 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
5 (30) calendar days.

6 In the event Respondent should leave the State of California to reside or to practice
7 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
8 departure and return.

9 8. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
10 available in person upon request for interviews either at Respondent's place of business or at the
11 probation unit office, with or without prior notice throughout the term of probation.

12 9. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
13 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
14 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
15 defined as any period of time Respondent is not practicing medicine in California as defined in
16 Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month
17 in direct patient care, clinical activity or teaching, or other activity as approved by the Board. All
18 time spent in an intensive training program which has been approved by the Board or its designee
19 shall not be considered non-practice. Practicing medicine in another state of the United States or
20 Federal jurisdiction while on probation with the medical licensing authority of that state or
21 jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice shall
22 not be considered as a period of non-practice.

23 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
24 months, Respondent shall successfully complete a clinical training program that meets the criteria
25 of Condition 18 of the current version of the Board's "Manual of Model Disciplinary Orders and
26 Disciplinary Guidelines" prior to resuming the practice of medicine.

27 Respondent's period of non-practice while on probation shall not exceed two (2) years.

28 Periods of non-practice will not apply to the reduction of the probationary term.

1 Periods of non-practice will relieve Respondent of the responsibility to comply with the
2 probationary terms and conditions with the exception of this condition and the following terms
3 and conditions of probation: Obey All Laws; and General Probation Requirements.

4 10. COMPLETION OF PROBATION. Respondent shall comply with all financial
5 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
6 completion of probation. Upon successful completion of probation, Respondent's certificate shall
7 be fully restored.

8 11. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
9 of probation is a violation of probation. If Respondent violates probation in any respect, the
10 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
11 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
12 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
13 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
14 the matter is final.

15 12. LICENSE SURRENDER. Following the effective date of this Decision, if
16 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
17 the terms and conditions of probation, Respondent may request to surrender his or her license.
18 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
19 determining whether or not to grant the request, or to take any other action deemed appropriate
20 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
21 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
22 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
23 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
24 application shall be treated as a petition for reinstatement of a revoked certificate.

25 13. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
26 with probation monitoring each and every year of probation, as designated by the Board, which
27 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
28 California and delivered to the Board or its designee no later than January 31 of each calendar

1 year.
