STATE OF COLORADO  
CASE NOS: 2016-3071-A, 2016-3483-A and 2016-3527-A

**ORDER OF SUSPENSION PURSUANT TO SECTION 24-4-104(4), C.R.S.**

---

IN THE MATTER OF THE LICENSE TO PRACTICE MEDICINE AS A  
PHYSICIAN IN THE STATE OF COLORADO OF DEBORAH KAYE PARR,  
M.D., LICENSE NO. DR-47449,

Respondent.

TO: Deborah Kaye Parr, M.D.  
555 S. Camino del Rio, Bldg. C #1A  
Durango, CO 81303

Inquiry Panel A ("Panel") of the Colorado Medical Board ("Board"), having reviewed this matter during its meeting of the Panel on July 14, 2016, hereby finds as follows:

1. Respondent was licensed to practice medicine in the state of Colorado on February 26, 2009, and was issued license number DR-47449, which Respondent has held continuously since that date.

2. On July 14, 2016, the Panel reviewed materials relating to case numbers 2016-3071-A, 2016-3483-A and 2016-3527-A and found that based upon the information reviewed, the Panel had reasonable grounds to believe that the public health, safety, or welfare imperatively requires emergency action and/or that Respondent was guilty of a deliberate and willful violation of law. The Panel reviewed information that, during the period of January 1, 2016 to May 25, 2016, Respondent signed in excess of 300 certifications recommending the medical use of marijuana which authorized the individual to possess increased plant counts for at least 75 plants. Respondent authorized the certifications for conditions other than cancer.

3. The Panel found that signing the above-referenced certifications recommending the medical use of marijuana with an allowance for increased plant counts of at least 75 plants, in the absence of cancer diagnosis and treatment, falls below generally accepted standards of medical practice and lacks medical necessity. Such conduct violates Section 12-36-117(1)(p) and (mm), C.R.S. and Colo. Const. art. XVIII, Section 14(4). The Panel found that the public health, safety, or welfare imperatively requires emergency action and/or that Respondent was guilty of a deliberate and willful violation of law.

4. Based upon paragraphs 1-3, the Panel has objective and reasonable grounds to believe and finds that Respondent deliberately and willfully violated the Medical Practice Act and/or that the public health, safety, or welfare imperatively requires emergency action.

5. The Panel incorporates paragraphs 1 through 6 in its findings for this Order of Suspension from the Practice of Medicine.

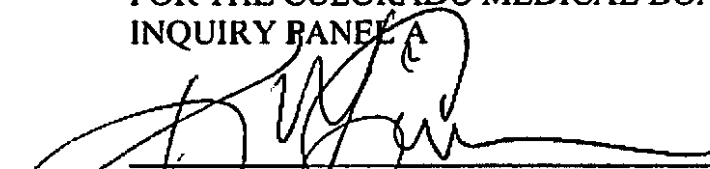

6. The Panel is therefore authorized by Section 24-4-104(4), C.R.S. to suspend Respondent's license to practice medicine in this state pending proceedings for suspension or revocation.

WHEREFORE, it is ordered that:

1. Respondent's license to practice medicine in this state is hereby suspended, effective at 4:00 p.m., Tuesday, July 19, 2016.
2. The suspension shall remain in effect until resolution of this matter.

ENTERED this 19<sup>th</sup> day of July, 2016.
