Re: License Number: DR. 0067930

Case Number: 2022-7422 - Panel B

Dear Dr. Quinn,

The Colorado Medical Board has concluded its inquiry into the aforementioned matter. It was the Panel's decision not to commence with formal proceedings against your professional license. However, the Panel did determine disciplinary action in the form of this letter of admonition is warranted.

As you know, on September 16, 2022, the Nevada State Board of Medical Examiners ("Nevada Board") reached a settlement agreement with you by which they disciplined your Nevada medical license. The basis of the discipline was that you engaged in a sexual relationship with a former patient, and you admitted to a violation of patient trust and exploitation of physician and patient relationship for financial or personal gain in violation of Nevada law. Your Nevada license was publicly reprimanded, you paid a \$2,500 fine, you reimbursed investigative costs, and you agreed to undergo ethics and boundaries assessments.

After consideration of the information in this case, the Panel finds that you committed unprofessional conduct, in violation of section 12-240-121(1)(j) of the Colorado Revised Statutes. Specifically, by being a psychiatrist and engaging in a sexual relationship with a former patient, you violated proper boundaries and you thus failed to meet generally accepted standards of medical practice.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above, and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Medical Practice Act requirements and obligations for the practice of medicine in Colorado.

In accordance with 12-20-404(4)(b), the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty (20) days after receipt of this letter and address your request to Paula E. Martinez, Program Director at paula.martinez@state.co.us. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary and/or injunctive proceedings in accordance with 12-20-404(4)(b)(II), C.R.S., and applicable rules.

A Letter of Admonition, when accepted, becomes a permanent, public portion of your record. It is not, however, a restriction on your practice as a professional physician.
