v.

GORDON F. LEWIS, M.D.,

Respondent

---

ADMINISTRATIVE COMPLAINT

COMES NOW, the Department of Professional Regulation, hereinafter referred to as "Petitioner," and files this Administrative Complaint before the Board of Medicine against Gordon F. Lewis, M.D., hereinafter referred to as "Respondent," and alleges:

1. Petitioner is the state agency charged with regulating the practice of medicine pursuant to Section 20.30, Florida Statutes, Chapter 455, Florida Statutes, and Chapter 458, Florida Statutes.

2. Respondent is and has been at all times material hereto a licensed physician practicing psychotherapy with hospital privileges, in the State of Florida, having been issued license number ME 0007099. Respondent's last known address is 4950 S. Le June Road, Miami, Florida 33146-2231.

3. On or about November 8, 1989, Respondent signed the following statement which was thereafter submitted as part of Respondent's request to renew his license to practice medicine for the 1990 - 1991 licensing biennium:

I have hospital staff privileges; and I have obtained and maintain professional liability coverage in an amount not less than \$250,000 per claim, with a minimum annual aggregate of not less than \$750,000 from an authorized insurer as defined under s.624.09, F.S., from a surplus lines insurer as defined under s.626.914(2), F.S., from the Joint Underwriting Association established under s.627.351(4), F.S., from a risk retention group as defined under s.627.942, F.S., or through a plan of self insurance as provided in s.627.357, F.S.

I affirm that these statements are true and correct and recognize that providing false information may result in disciplinary action against my license or criminal penalties pursuant to Sections 455.2272, 458.327, 458.331, 775.082, 775.083 and 775.0084, Florida Statutes.

4. Thereafter, Respondent successfully renewed his license to practice medicine in Florida. That renewal was based, in part, on the aforementioned statement regarding compliance with the financial responsibility law (Section 458.320, Florida Statutes).

5. At the time the Respondent signed the above described statement he had hospital staff privileges, however, he maintained professional liability coverage in an amount of \$200,000.00 per claim with an annual aggregate amount of \$600,000.00.

6. Section 458.320, Florida Statutes, provides that as a condition of licensing and prior to the issuance or renewal of an active license or reactivation of an inactive license, an applicant shall demonstrate to the satisfaction of the board and the department that the physician maintains financial responsibility to pay claims and costs ancillary thereto, arising out of the rendering, or the failure to render, medical care or services.

7. Pursuant to Section 458.320, Florida Statutes, an applicant with hospital staff privileges, must maintain coverage in an amount not less than \$250,000 per claim, with a minimum aggregate availability of credit of not less than \$750,000.

8. Pursuant to Rule 21M-40.005(3), Florida Administrative Code, each license must notify the Board in writing of any change of status relating to financial responsibility, compliance or exemption at least ten (10) calendar days prior to the change.

9. Respondent has not requested exemption from the financial responsibility requirements for physicians, pursuant to Section 458.320, Florida Statutes.

10. Pursuant to Rule 21M-40.005(4), Florida Administrative Code, the failure to document compliance with the exemption from the financial responsibility law upon request, the furnishing of false or misleading information, or the failure to timely notify the Board of a change in status shall be grounds for disciplinary action up to and including license

revocation.

11. On or about August 9, 1990, Respondent was notified that the Board of Medicine selected Respondent at random to audit his compliance with the financial responsibility law for the licensing period from January 1, 1990, through December 31, 1991.

12. On or about January 3, 1991, the Respondent notified the Department that he was not in compliance with the required professional responsibility coverage of \$250,000.00 per claim and \$750,000.00 annual aggregate.

**COUNT ONE**

13. Petitioner realleges paragraphs one (1) through twelve (12) above as if fully set forth herein Count One.

14. Respondent has violated Rule 21M-40.005(4), Florida Administrative Code, in that Respondent failed to document compliance with, or exemption from, the financial responsibility law upon request, with respect to the appropriate financial limits, and Respondent has failed to comply with appropriate financial responsibility requirements set forth in Section 458.320, Florida Statutes, and/or Respondent has failed to provide documentation that he is eligible for any exemption..

15. Based on the foregoing, Respondent has violated Section 458.331(1)(x), Florida Statutes, by violating a provision of Chapter 458, Florida Statutes, to wit: Section 458.320, Florida Statutes, and Rule 21M-40.005, Florida Administrative Code.

**COUNT TWO**

16. Petitioner realleges paragraphs one (1) through twelve (12), and fourteen (14), above as if fully set forth herein this Count Two.

17. Respondent has attempted to obtain, obtained or renewed a license to practice medicine by bribery, by fraudulent misrepresentations or through an error of the Department or the Board.

13. Based on the foregoing, Respondent has violated Section 458.331(1)(a), Florida Statutes, by attempting to obtain, obtaining or renewing a license to practice medicine by bribery, by fraudulent misrepresentations, or through an error of the Department of the Board.

WHEREFORE, Petitioner respectfully requests the Board of Medicine enter an Order imposing one or more of the following penalties: suspension of the Respondent's license, restriction of the Respondent's practice, imposition of an administrative fine, issuance of a reprimand, placement of the Respondent on probation, and/or any other relief that the Board deems appropriate.
