STIPULATED DISPOSITION

1. FUTURE CONDUCT. Respondent shall not in the future violate Chapters 455, 458 and 893, Florida Statutes, or the rules promulgated pursuant thereto. 4. PROBATION. supervised educational experience designed by the Board to make the Respondent aware of certain obligations to his patients and the profession and to insure Respondent's continued compliance with the high standards of the profession through interaction with another physician in the appropriate field of expertise. To this end, during the period of probation, Respondent shall comply with the following obligations and requirements:

A. RESTRICTIONS DURING PROBATION. During the period of probation, Respondent's license shall be restricted as follows:

i. INDIRECT SUPERVISION. Respondent shall practice only under the indirect supervision of a Board-approved physician, hereinafter referred to as the "monitor." considered a violation of the terms of this Agreement, and shall subject the Respondent to disciplinary action.

ii. Respondent shall be responsible for ensuring that the monitor submits all required reports.

C. RESPONSIBILITIES OF THE MONITORING PHYSICIAN.

The Monitor shall:

i. Review fifteen percent (15%) of Respondent's active patient records at least once a month for the purpose of ascertaining the appropriateness and correctness of the billing performed by the Respondent for the care rendered as well as compliance with the terms of this agreement. The monitor shall go to Respondent's office once every month and shall review Respondent's calendar or patient log and shall select the records to be reviewed.

ii. Submit reports to the Board on a quarterly basis, in affidavit form, each of which shall include:

E. STANDARD PROVISIONS. Respondent's probation shall be governed by the attached "Standard Terms Applicable to Consent Agreements", Exhibit B, which is incorporated as if fully set forth herein.

5. It is expressly understood that this Agreement is subject to the approval of the Board and the Department. In this regard, the foregoing paragraphs (and only the foregoing paragraphs) shall have no force and effect unless a Final Order incorporating the terms of this Agreement is entered by the Board.

6. Respondent shall appear before the Board at the meeting of the Board where this Agreement is considered. STANDARD TERMS APPLICABLE TO CONSENT AGREEMENTS

Provisions governing physicians ordered to work under supervision of monitoring or supervising physician.

I. DEFINITIONS:

A. INDIRECT SUPERVISION is supervision by a monitoring physician (monitor) whose responsibilities are set by the Board. Indirect supervision does not require that the monitor practice on the same premises as the Respondent; however, the monitor shall practice within a reasonable geographic proximity to Respondent, which shall be within 20 miles unless otherwise provided by the Board, and shall be readily available for consultation. The monitor shall be Board-certified in the Respondent's specialty area, unless otherwise provided by the Board.

B. DIRECT SUPERVISION is supervision by a supervising physician (supervisor) whose responsibilities are set by the Board. Direct supervision requires that the supervisor and Respondent work in the same office. The supervising physician shall be Board-certified in the Respondent's specialty area, unless otherwise provided by the Board.

C. PROBATION COMMITTEE or "committee" are members of the Board of Medicine designated by the Chairman of the Board to serve as the Probation Committee.

000011

II. STANDARD TERMS.

A. REQUIRED SUPERVISION.

1. The Respondent shall not practice medicine without an approved monitor/supervisor, as specified by the Consent Agreement, unless otherwise ordered by the Board.

2. The monitor/supervisor must be a licensee under Chapter 458, Florida Statutes, in good standing and without restriction or limitation on his license. In addition, the Board or Committee may reject any proposed monitor/supervisor on the basis that he has previously been subject to any disciplinary action against his medical license in this or any other jurisdiction, is currently under investigation, or is the subject of a pending disciplinary action. The monitor/supervisor must be actively engaged in the same or similar specialty area unless otherwise provided by the Board or Committee. The Board or Committee may also reject any proposed monitor/supervisor for good cause shown.

B. MECHANISM FOR APPROVAL OF MONITOR/SUPERVISOR:

1. TEMPORARY APPROVAL. The Board confers authority on the Chairman of the Board's Probation Committee to temporarily approve Respondent's monitor/supervisor. To obtain this temporary approval, Respondent shall submit to the Chairman of the Probation Committee the name and curriculum vitae of the proposed monitor/supervisor at the time this agreement is considered by the Board. Once a Final Order adopting this Agreement is filed, Respondent shall not practice medicine without

000012

an approved monitor/supervisor. Temporary approval shall only remain in effect until the next meeting of the Probation Committee.

2. FORMAL APPROVAL.

a. Respondent shall have the monitor/supervisor with him at his first probation appearance before the Probation Committee. Prior to consideration of the monitor/supervisor by the Committee, the Respondent shall provide to the monitor/supervisor a copy of the Administrative Complaint and Final Order in this case. Respondent shall submit a current curriculum vitae and a description of current practice from the proposed monitor/supervisor to the Board office no later than fourteen days before the Respondent's first scheduled probation appearance.

b. Respondent's monitor/supervisor shall also appear before the Probation Committee at such other times as directed by the Committee. It shall be Respondent's responsibility to ensure the appearance of his monitor/supervisor as directed. If the approved monitor fails to appear as requested or directed by the Probation Committee, the Respondent shall immediately cease practicing medicine until such time as the approved monitor or alternate monitor appears before the Probation Committee.

3. CHANGE IN MONITOR/SUPERVISOR. In the event that Respondent's monitor/supervisor is unable or unwilling to fulfill his responsibilities as a monitor/supervisor as described above, then the Respondent shall immediately advise the Board of this fact. Respondent shall immediately submit to the

000013

Chairman of the Board's Probation Committee, the name of a temporary monitor/supervisor for consideration. Respondent shall not practice pending approval of this temporary monitor/supervisor by the Chairman of the Probation Committee. Furthermore, Respondent shall make arrangements with his temporary monitor/supervisor to appear before the Probation Committee at its next regularly scheduled meeting for consideration of the monitor/supervisor by the Committee. Respondent shall only practice under the auspices of the temporary monitor/supervisor (approved by the Chairman) until the next regularly scheduled meeting of the Probation Committee whereat the issue of the Committee's approval of the Respondent's new monitor/supervisor shall be addressed.

C. CONTINUITY OF PRACTICE

1. TOLLING PROVISIONS. In the event the Respondent leaves the State of Florida for a period of thirty days or more or otherwise does not engage in the active practice of medicine in the State of Florida, then certain provisions of Respondent's probation (and only those provisions of the probation) shall be tolled as enumerated below and shall remain in a tolled status until Respondent returns to active practice in the State of Florida.
