CASE NO. 1999-50322

ADMINISTRATIVE COMPLAINT

COMES NOW the Petitioner, Department of Health, hereinafter referred to as "Petitioner," and files this Administrative Complaint before the Board of Medicine against Cecilio Pizarro, M.D., hereinafter referred to as "Respondent," and alleges:

1. Effective July 1, 1997, Petitioner is the state agency charged with regulating the practice of medicine pursuant to Section 20.43, Florida Statutes; Chapter 455, Florida Statutes, and Chapter 458, Florida Statutes. Pursuant to the provisions of Section 20.43(3), Florida Statutes, the Petitioner has contracted with the Agency for Health Care Administration to provide consumer complaint, investigative, and prosecutorial services required by the Division of Medical Quality Assurance, councils, or boards, as appropriate.

2. Respondent is and has been at all times material hereto a licensed physician in the state of Florida, having been issued license number ME 00059711. Respondent's last known address is 195 East Hartford, #1B, Hernando, Florida 34442.

3. On or about September 24, 1997, the Board of Medical Examiners (BOME) of the State of New Mexico filed a Notice of Contemplated Action against Respondent based upon Respondent's failure to keep the BOME aware of his current address. The Notice of Contemplated Action was served on Respondent in accordance with the Uniform Licensing Act, N.M.S.A., Section 61-1-1 et seq.

4. The Notice of Contemplated Action informed Respondent that he had twenty days after service of the notice to request a hearing or the BOME would revoke or suspend Respondent's license to practice medicine in the State of New Mexico.

5. Respondent did not request a hearing or otherwise respond to the Notice of Contemplated Action.

6. On or about March 6, 1998, the BOME revoked Respondent's license to practice medicine in the State of New Mexico based upon Respondent's failure to respond to the Notice of Contemplated Action.

7. Respondent did not provide written notification of the New Mexico disciplinary action to the Florida Board of Medicine within thirty (30) days of that action as required by Section 458.331(1)(kk), Florida Statutes.

8. On or about March 6, 1998, Respondent had a license or the authority to practice medicine revoked by the licensing authority of any jurisdiction, including its agencies or subdivisions, in that Respondent's license to practice medicine in the State of New Mexico was revoked by the New Mexico Board of Medical Examiners.

COUNT ONE

9. Petitioner realleges and incorporates paragraphs one (1) through eight (8), as if fully set forth herein this Count One.

10. Respondent had a license or the authority to practice medicine revoked by the licensing authority of any jurisdiction, including its agencies or subdivisions, in that Respondent's license to practice medicine in the State of New Mexico was revoked on or about March 6, 1998, by the New Mexico Board of Medical Examiners.

11. Based on the foregoing, Respondent violated Section 458.331(1)(b), Florida Statutes, by having a license or the authority to practice medicine revoked, suspended, or otherwise acted against, including the denial of licensure, by the licensing authority of any jurisdiction, including its agencies or subdivisions. The licensing authority's acceptance of a physician's relinquishment of a license, stipulation, consent order, or other settlement, offered in response to or in anticipation of the filing of administrative charges against the physician's license, shall be construed as action against the physician's license.

COUNT TWO

12. Petitioner realleges and incorporates paragraphs one (1) through eight (8), and paragraph ten (10), as if fully set forth herein this Count Two.

13. Respondent failed to provide written notification of the New Mexico disciplinary action to the Florida Board of Medicine within thirty (30) days of that action, as required by Section 458.331(1)(kk), Florida Statutes.

11. Based on the foregoing, Respondent violated Section 458.331(1)(kk), Florida Statutes, by failing to report to the board, in writing, within 30 days if action as defined in paragraph (b) has been taken against one's license to practice medicine in another state, territory, or country.

WHEREFORE, the Petitioner respectfully requests the Board of Medicine enter an order imposing one or more of the following penalties: permanent revocation or suspension of the Respondent's license; restriction of the Respondent's practice, imposition of an administrative fine, issuance of a reprimand, placement of the Respondent on probation, the assessment of costs related to the investigation and prosecution of this case as provided for in Section 455.624(4), Florida Statutes, and/or any other relief that the Board deems appropriate.

1. **FUTURE CONDUCT.** The Respondent shall not in the future violate Chapters 455, 458 and 893, Florida Statutes, or the rules promulgated pursuant thereto.
