VOLUNTARY RELINQUISHMENT OF LICENSE

To avoid the necessity of further administrative proceeding in this case, the Respondent herein files this Voluntary Relinquishment of his license to practice as a physician in the State of Florida, with the provision that the Respondent agrees never again to apply for licensure as a physician in the State of Florida. The licensee shall turn in his license to the appropriate Board within three (3) business days after the Final Order is issued by the Board accepting the relinquishment.

When relinquishments are offered to the Board of Medicine to avoid further administrative prosecution, this is considered to be disciplinary action against the Respondent's license to practice medicine in the State of Florida. Upon the Board's adoption of this Relinquishment, Respondent expressly waives all further procedural steps, and expressly waives all rights to seek judicial review of or to otherwise challenge or contest the validity of the Relinquishment and the Final Order of the Board incorporating said Relinquishment.

Upon the Board's adoption of this Relinquishment, the parties hereby agree that each party will bear his own attorney's fees and costs resulting from prosecution or defense of this matter. In this regard, Respondent authorizes the Board of Medicine to review and examine all investigative file materials concerning Respondent prior to or in conjunction with consideration of the Relinquishment.

Furthermore, should this Relinquishment not be accepted by the Board, it is agreed that presentation to and consideration of this Relinquishment and other

documents and matters by the Board shall not unfairly or illegally prejudice the Board or any of its members from further participation, consideration or resolution of these proceedings.
