## AFFIDAVIT OF FEES AND COSTS EXPENDED

STATE OF FLORIDA  
COUNTY OF LEON:

**BEFORE ME**, the undersigned authority, personally appeared **SHANE WALTERS** who was sworn and states as follows:

- 1) My name is Shane Walters.
- 2) I am over the age of 18, competent to testify, and make this affidavit upon my own personal knowledge and after review of the records at the Florida Department of Health (DOH).
- 3) I am the Operations and Management Consultant Manager (OMCM) for the Consumer Services and Compliance Management Unit for DOH. The Consumer Services Unit is where all complaints against Florida health care licensees (e.g., medical doctors, dentists, nurses, respiratory therapists) are officially filed. I have been in my current job position for more than one year. My business address is 4052 Bald Cypress Way, Bin C-75 Tallahassee, Florida 32399-3275.
- 4) As OMCM of the Consumer Services and Compliance Management Unit, my job duties include reviewing data in the Time Tracking System and verifying that the amounts correspond. The Time Tracking System is a computer program which records and tracks DOH's costs regarding the investigation and prosecution of cases against Florida health care licensees.
- 5) As of today, DOH's total costs for investigating and prosecuting DOH case number(s) **2011-04733 & 2008-27244** (Department of Health v. Evan Zimmer, M.D.) are **EIGHT THOUSAND TWO HUNDRED EIGHTEEN DOLLARS AND TWENTY-NINE CENTS (\$8,218.29)**.
- 6) The costs for DOH case number **2011-04733 & 2008-27244** (Department of Health v. Evan Zimmer, M.D) are summarized in Exhibit 1 (Cost Summary Report), which is attached to this document.
- 7) The itemized costs and expenses for DOH case number **2011-04733 & 2008-27244** (Department of Health v. Evan Zimmer, M.D) are detailed in Exhibit 2 (Itemized Cost Report and Itemized Expense Report and receipts), which is attached to this document.
- 8) The itemized costs as reflected in Exhibit 2 are determined by the following method: DOH employees who work on cases daily are to keep track of their time in six-minute increments (e.g., investigators

and lawyers). A designated DOH employee in the Consumer Services Unit, Legal Department, and in each area office, inputs the time worked and expenses spent into the Time Tracking System. Time and expenses are charged against a state health care Board (e.g., Florida Board of Medicine, Florida Board of Dentistry, Florida Board of Osteopathic Medicine), and/or a case. If no Board or case can be charged, then the time and expenses are charged as administrative time. The hourly rate of each employee is calculated by formulas established by the Department. (See the Itemized Cost Report)

- 9) Shane Walters, first being duly sworn, states that she has read the foregoing Affidavit and its attachments and the statements contained therein are true and correct to the best of her knowledge and belief.

FURTHER AFFIANT SAYETH NOT.

**EVAN J. ZIMMER, M.D.,**

**RESPONDENT.**

**ADMINISTRATIVE COMPLAINT**

COMES NOW, Petitioner, Department of Health, by and through its undersigned counsel, and files this Administrative Complaint before the Board of Medicine against the Respondent Evan J. Zimmer, M.D., and in support thereof alleges:

1. Petitioner is the state department charged with regulating the practice of medicine pursuant to Section 20.43, Florida Statutes; Chapter 456, Florida Statutes; and Chapter 458, Florida Statutes.

2. At all times material to this Complaint, Respondent was a licensed physician within the State of Florida, having been issued license number ME 55819.

3. Respondent's current address of record is 225 NE 34th Street, Suite 207, Miami, Florida 33137.

4. Respondent is board certified in Psychiatry and Addiction Psychiatry by the American Board of Psychiatry and Neurology.

5. In and between January 2011 and April 2011, the Department received numerous anonymous complaints representing that Respondent was possibly under the influence of drugs and/or alcohol, and may be practicing as an impaired physician.

6. On or about May 27, 2011, Respondent self-reported that on or about November 24, 2010, he entered a plea of nolo contendere to one count of committing or attempting to engage in prostitution, a first degree misdemeanor, in violation of Section 796.07(2)(e), Florida Statutes (2010).

7. Respondent was sentenced to sixty (60) days in the Miami-Dade County Correctional Facility (MDCCF) with credit for sixty (60) days time served, and ordered to pay five hundred eighty-three dollars (\$583.00) in courts costs and fines.

8. Respondent was initially committed to the MDCCF, when he appeared in court, on or about October 26, 2010, and observed by the presiding judge to be impaired. An unofficial drug screen was ordered and

the results were positive for prescription medications particularly benzodiazepines.

9. Due to Respondent's unusual behavior, and observed impairment, he was held in contempt of court and immediately remanded to jail. Respondent was released from the facility on or about November 24, 2010, after entering his plea.

10. Based on the facts and circumstances surrounding Respondent's incarceration, and various allegations of his potential impairment, the Department served Respondent with an Order to Compel a Mental and Physical Examination (OCE), to assess Respondent's ability to practice medicine.

11. The OCE was initially ordered for Respondent on or about May 31, 2011. At this time, Respondent was scheduled to present for his evaluation on or about June 30, 2011. Respondent failed to appear for this appointment.

12. A second evaluation was scheduled for July 21, 2011, at which time Respondent was hand served with a copy of the order and attested that he would present for the evaluation at the scheduled time.

13. Respondent failed to present for his scheduled evaluation for a second time asserting that he was recently in a motorcycle accident and was unable to present for this evaluation.

14. On or about July 28, 2011, Respondent did present for the third scheduled mental and physical examination. At this examination, Respondent submitted to a hair sample drug analysis that he agreed to have released to the Department.

15. The hair samples taken from Respondent tested positive for cocaine and marijuana, each an illegal drug.

16. During the examination, Respondent asserted that he was taking Percocet 10/325mg one to two tablets per week or on an as needed basis for a shoulder dislocation that occurred on or about June 27, 2011.

17. However, when specifically questioned about his use of illicit drugs, Respondent stated that he was currently sober and was in no way using illicit drugs.

18. Respondent has a significant history of substance abuse, an inability to practice medicine with reasonable skill and safety, and involvement with the Professional Resource Network (PRN) for prior impairment issues.

19. Respondent was given a second license to practice medicine in the State of Florida after significant substance abuse treatment and counseling, and after he was determined to be able to practice medicine with reasonable skill and safety.

20. On or about August 8, 2011, the evaluating psychiatrist (Evaluator) for Respondent opined that based on Respondent's dependence on illicit drugs, particularly dependence to cocaine and marijuana, his failure to admit to the use of these drugs, and his past substance abuse history, Respondent cannot presently practice medicine with the requisite amount of reasonable skill and safety.

21. The Department's Evaluator states explicitly that Respondent needs to refrain from the practice of medicine until he is successfully involved with PRN, tests negative for substances abused and/or illicit drugs, and completes significant inpatient treatment.

22. Section 458.331(1)(s), Florida Statutes (2010-2011), provides that a physician is subject to discipline for being unable to practice medicine with reasonable skill and safety to patients by reason of illness or use of alcohol, drugs, narcotics, chemicals, or any other type of material or as a result of any mental or physical condition.

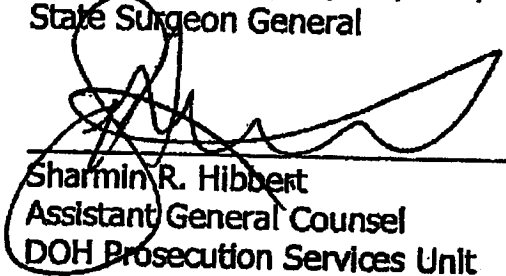

23. On or about July 28, 2011, Respondent was drug tested using a hair sample drug analysis, and tested positive for marijuana and cocaine, each illegal substances. Respondent is currently unable to practice medicine with reasonable skill and safety due to use of use of alcohol, drugs, and/or narcotics.

24. Based on the foregoing, Respondent is in violation of Section 458.331(1)(s), Florida Statutes (2010-2011), for being unable to practice medicine with reasonable skill and safety for use of illegal drugs.

WHEREFORE, the Petitioner respectfully requests that the Board of Medicine enter an order imposing one or more of the following penalties: permanent revocation or suspension of Respondent's license, restriction of practice, imposition of an administrative fine, issuance of a reprimand, placement of the Respondent on probation, corrective action, refund of fees billed or collected, remedial education and/or any other relief that the Board deems appropriate.

SIGNED this 9th day of September, 2011.
