In addition, Respondent shall submit documentation in the form of certified copies of the receipts, vouchers, certificates, or other papers, such as physician's recognition awards, documenting completion of this medical education course within eighteen (18) months of the date of filing of the Final Order incorporating this Agreement.

5. **Drug Course** - Respondent shall complete the course, "Prescribing Controlled drugs: Critical Issues and Common Pitfalls of Misprescribing," sponsored by the University of Florida, or a Board-approved equivalent, within one year of the date of filing of the Final Order.

6. **Restriction Language:**

Restriction of Practice (Family Members) - Respondent's practice is restricted in that Respondent may not treat or prescribe medications to her spouse, children, stepchildren, brothers, sisters, parents or in-laws.

7. **Probation Language** - Effective on the date of the filing of the Final Order incorporating the terms of this Agreement, Respondent's license to practice medicine shall be placed on probation for a period of two (2) years. The purpose of probation is not to prevent Respondent from practicing medicine. Rather, probation is a supervised educational experience designed by the Board to make Respondent aware of certain obligations to Respondent's patients and the profession and to ensure Respondent's continued compliance with the high standards of the profession through interaction with another physician in the appropriate field of expertise. To this end, during the period of probation, Respondent shall comply with the following obligations and requirements:

(A) **Restrictions During Probation** - During the period of probation, Respondent's license shall be restricted as follows:

i. **Indirect Supervision** - Respondent shall practice only under the indirect supervision of a Board-approved physician, hereinafter referred

to as the "monitor", whose responsibilities are set by the Board. Indirect supervision does not require that the monitor practice on the same premises as Respondent, however, the monitor shall practice within a reasonable geographic proximity to Respondent, which shall be within 20 miles unless otherwise provided by the Board and shall be readily available for consultation. The monitor shall be Board Certified in Respondent's specialty area unless otherwise provided by the Board. In this regard, Respondent shall allow the monitor access to Respondent's medical records, calendar, patient logs or other documents necessary for the monitor to supervise Respondent as detailed below.

ii. **Required Supervision:**

a) If the terms of the Settlement Agreement include indirect monitoring of the licensee's practice or direct monitoring of the licensee's practice, Respondent shall not practice medicine without an approved monitor/supervisor, as specified by the Agreement, unless otherwise ordered by the Board.

b) The monitor/supervisor must be a licensee under Chapter 458, Florida Statutes, in good standing and without restriction or limitation on his license. In addition, the Board may reject any proposed monitor/supervisor on the basis that he has previously been subject to any disciplinary action against his medical license in this or any other jurisdiction is currently under investigation, or is the subject of a pending disciplinary action. The monitor/supervisor must be actively engaged in the same or similar specialty area unless otherwise provided by

the Board and be practicing within a reasonable distance of Respondent's practice, a distance of twenty (20) miles unless otherwise specifically provided for in the Settlement Agreement. The Board may also reject any proposed monitor/supervisor for good cause shown.

iii. **Mechanism For Approval Of Monitor/Supervisor:**

a) **Temporary Approval** - The Board confers authority on the Chairman of the Probation Committee to temporarily approve Respondent's monitor/supervisor. To obtain this temporary approval, Respondent shall submit to the Chairman of the Probation Committee the name and curriculum vitae of the proposed monitor/supervisor at the time this agreement is considered by the Board. **Once a Final Order adopting the Agreement is filed, Respondent shall not practice medicine without an approved monitor/supervisor. Temporary approval shall only remain in effect until the next meeting of the Probation Committee.**

b) **Formal Approval** - Respondent shall have the monitor/supervisor with Respondent at Respondent's first probation appearance before the Probation Committee. Prior to the consideration of the monitor/supervisor by the Probation Committee, Respondent shall provide to the monitor/supervisor a copy of the Administrative Complaint and Final Order in this case. Respondent shall submit a current curriculum vita and a description of current practice from the proposed monitor/supervisor to the Board office no later than fourteen (14) days before Respondent's first scheduled probation appearance.

Respondent's monitor/supervisor shall also appear before the Probation Committee at such other times as directed by the Probation Committee. It shall be Respondent's responsibility to ensure the appearance of the monitor/supervisor as directed. Failure of the monitor/supervisor to appear as directed shall constitute a violation of the terms of this Settlement Agreement and shall subject Respondent to disciplinary action.

iv. **Change In Monitor/Supervisor** - In the event that Respondent's monitor/supervisor is unable or unwilling to fulfill the responsibilities of a monitor/supervisor as described above, Respondent shall immediately advise the Probation Committee of this fact. Respondent shall immediately submit to the Chairman of the Probation Committee the name of a temporary monitor/supervisor for consideration. Respondent shall not practice pending approval of this temporary monitor/supervisor by the Chairman of the Probation Committee. Furthermore, Respondent shall make arrangements with his temporary monitor/supervisor to appear before the Probation Committee at its next regularly scheduled meeting for consideration of the monitor/supervisor by the Probation Committee. Respondent shall only practice under the auspices of the temporary monitor/supervisor (approved by the Chairman) until the next regularly scheduled meeting of the Probation Committee at which the issue of the Probation Committee's approval of Respondent's new monitor/supervisor shall be addressed.

v. **Responsibilities of the Monitor/Supervisor** - The Monitor shall:

a) Review 10 percent of Respondent's active patient records at least once every four months for the purpose of ascertaining appropriate treatment and prescribing. The monitor shall go to Respondent's office once every four months and shall review Respondent's calendar or patient log and shall select the records to be reviewed.

b) Submit reports on a triannual basis, in affidavit form, which shall include:

- 1) A brief statement of why Respondent is on probation;
- 2) A description of Respondent's practice (type and composition);
- 3) A statement addressing Respondent's compliance with the terms of probation;
- 4) A brief description of the monitor's relationship with Respondent;
- 5) A statement advising the Probation Committee of any problems which have arisen; and
- 6) A summary of the dates the monitor went to Respondent's office, the number of records

reviewed, and the overall quality of the records reviewed.

c) Report immediately to the Board any violations by Respondent of Chapters 456 or 458, Florida Statutes, and the rules promulgated thereto.

d) Respondent's monitor shall appear before the Probation Committee at the first meeting of said committee following commencement of the probation, and at such other times as directed by the Committee. It shall be Respondent's responsibility to ensure the appearance of Respondent's monitor to appear as requested or directed. If the approved monitor fails to appear as requested or directed by the Probation Committee, **Respondent shall immediately cease practicing medicine until such time as the approved monitor or alternate monitor appears before the Probation Committee.**

e) **Monitoring Reports-** Respondent shall be responsible for ensuring that their respective monitor submits all required reports.

vi. **Reports from Respondent** - Respondent shall submit triannual reports, in affidavit form, the contents of which may be further specified by the Board, but which shall include:

- a) A brief statement of why Respondent is on probation;
- b) A description of practice location;

- c) A description of current practice (type and composition);
- d) A brief statement of compliance with probationary terms;
- e) A description of the relationship with monitoring physician;
- f) A statement advising the Board of any problems which have arisen; and
- g) A statement addressing compliance with any restrictions or requirements imposed.

viii. **Continuity of Practice:**

a) **Tolling Provisions** - In the event Respondent leaves the State of Florida for a period of thirty (30) days or more or otherwise does not engage in the active practice of medicine in the State of Florida, then certain provisions of Respondent's probation (and only those provisions of the probation) shall be tolled as enumerated below and shall remain in a tolled status until Respondent returns to active practice in the State of Florida:

- 1) The time period of probation shall be tolled;
- 2) The provisions regarding supervision whether direct or indirect by another physician and required reports from the monitor/supervisor shall be tolled;

3) The provisions regarding preparation of investigative reports detailing compliance with this Settlement Agreement shall be tolled; and

4) Any provisions regarding community service shall be tolled.

b) **Active Practice** - In the event that Respondent leaves the active practice of medicine for a period of one year or more, the Board may require Respondent to appear before the Board and demonstrate his ability to practice medicine with skill and safety to patients prior to resuming the practice of medicine in this State.

(B) **Obligations/Requirements Of Probation** - During the period of probation, Respondent shall comply with the following obligations and requirements:

i. Respondent shall appear before the Probation Committee of the Board of Medicine at the first Committee meeting after probation commences, at the last meeting of the Committee preceding scheduled termination of the probation, and at such other times as requested by the Committee. Respondent shall be noticed by the Board staff of the date, time and place of the Committee meeting at which Respondent's appearance is required. Failure of Respondent to appear as requested or directed or failure of Respondent to comply with **any** of the terms of this agreement shall be considered a violation of the terms of this Agreement, and shall subject Respondent to disciplinary action.

ii. **Professional Resource Network** - Respondent shall participate and comply with all terms and recommendations with the Professional Resource Network (PRN). Respondent shall enter into an aftercare contract with the PRN and shall cause the medical director of PRN to send the Board a copy of that aftercare contract. Respondent shall comply with all of the conditions of his aftercare contract with the PRN. Respondent shall execute a release for the PRN to authorize the PRN to release information and medical records (including psychiatric records and records relating to treatment for drug dependence and alcoholism) to the Board as needed to monitor the progress of Respondent in the PRN program. Respondent shall cause the director of PRN to report to the Board any problems that may occur with Respondent and any violations of Chapter 458, Florida Statutes, which occur within thirty (30) days of the occurrence of any problems or violations of the law. Violation of the PRN contract shall constitute a violation of the terms of the Final Order.

STANDARD PROVISIONS

1. **Appearance**: Respondent is required to appear before the Board at the meeting of the Board where this Agreement is considered.

2. **No force or effect until final order** - It is expressly understood that this Agreement is subject to the approval of the Board and the Department. In this regard, the foregoing paragraphs (and only the foregoing paragraphs) shall have no force and effect unless the Board enters a Final Order incorporating the terms of this Agreement.

3. **Continuing Medical Education** - Unless otherwise provided in this written agreement Respondent shall first submit a written request to the Probation Committee for approval prior to performance of said continuing medical education course(s). Respondent shall submit documentation in the form of certified copies of the receipts, vouchers, certificates, or other papers, such as physician's recognition awards, documenting completion of this medical course within one (1) year of the date of filing of the Final Order in this matter. All such documentation shall be sent to the Board of Medicine, regardless of whether some or any of such documentation was provided previously during the course of any audit or discussion with counsel for the Department. These hours shall be in addition to those hours required for renewal of licensure. Unless otherwise approved by the Board, said continuing medical education course(s) shall consist of a formal, live lecture format.

Prior to signing this agreement, the Respondent shall read Chapters 456, 458 and 893 and the Rules of the Board of Medicine, at Chapter 64B8, Florida Administrative Code.

6. **Violation of terms considered** - It is expressly understood that a violation of the terms of this Agreement shall be considered a violation of a Final Order of the Board, for which disciplinary action may be initiated pursuant to Chapters 456 and 458, Florida Statutes.

7. **Purpose of Agreement** - Respondent, for the purpose of avoiding further administrative action with respect to this cause, executes this Agreement. In this regard, Respondent authorizes the Board to review and examine all investigative file materials concerning Respondent prior to or in conjunction with consideration of the Agreement. Respondent agrees to support this Agreement at the time it is presented to the Board and shall offer no evidence, testimony or argument that disputes or contravenes any stipulated fact or conclusion of law. Furthermore, should this Agreement not be accepted by the Board, it is agreed that presentation to and consideration of this Agreement and other documents and matters by the Board shall not unfairly or illegally prejudice the Board or any of its members from further participation, consideration or resolution of these proceedings.

8. **No preclusion of additional proceedings** - Respondent and the Department fully understand that this Agreement and subsequent Final Order incorporating same will in no way preclude additional proceedings by the Board and/or the Department against Respondent for acts or omissions not specifically set forth in the Administrative Complaint attached as Exhibit A.

9. **Waiver of attorney's fees and costs** - Upon the Board's adoption of this Agreement, the parties hereby agree that with the exception of costs noted above, the parties will bear their own attorney's fees and costs resulting from prosecution or defense of this matter.
