DOCKET NUMBER:

PUBLIC CONSENT ORDER

By agreement of the Georgia Composite Medical Board ("Board") and IONI DIPTI SISODIA, M.D. ("Respondent"), the following disposition of the matter is entered into pursuant to the provisions of O.C.G.A. § 50-13-13 (a) (4), as amended.

FINDINGS OF FACT

1.

Respondent is licensed to practice medicine in the State of Georgia and was licensed as such at all times relevant to the matters stated herein. Respondent is also licensed as a physician in the State of New York.

2.

On or about March 3, 2009, the Respondent entered into a Consent Agreement with the New York State Board for Professional Medical Conduct whereby Respondent agreed to a Censure and Reprimand and agreed to pay a \$5,000.00 fine. This action was based on Respondent's plea of guilty on or about November 20, 2007 to Petit Larceny, a violation of New York Penal Law, class A misdemeanor, and sentence to Unconditional Discharge. In or about 2008, you were excluded from participation as a provider of services for the Medicare program; your eligibility to participate in this program was reinstated in or about May 2013.

3.

Respondent admits the above findings of fact and waives any further findings of fact with respect to the above-styled matter.

CONCLUSIONS OF LAW

Respondent's conduct and disciplinary action in other states constitutes sufficient grounds for the imposition of discipline upon her license to practice medicine in the State of Georgia pursuant to O.C.G.A. Chs. 1 and 34, T. 43, as amended. Respondent waives any further conclusions of law with respect to the above-styled matter.

ORDER

The Georgia Composite Medical Board, having considered the particular facts and circumstances of the case, hereby orders, and Respondent hereby agrees, to the following:

1.

This Consent Order shall constitute a public reprimand of Respondent by the Board.

2.

Within 30 days of the effective date of this Order, Respondent shall submit to the Board evidence that she has fully complied with the New York Consent Order.

3.

Respondent understands that pursuant to O.C.G.A. Title 43, Chapter 34A the contents of this Order and the New York Order shall be placed on Respondent's Physician Profile.

Furthermore, by executing this Consent Order, Respondent hereby agrees to permit the Board to update the Physician Profile reflecting the orders.

4.

Respondent shall abide by all State and Federal laws regulating her practice as a physician, the Rules and Regulations of the Georgia Composite Medical Board, and the terms of this Consent Order. If Respondent shall fail to abide by such laws, rules or terms, or if it should appear to the Board that Respondent is otherwise unable to practice with reasonable skill and safety to patients, Respondent's license shall be subject to further discipline, including revocation, upon substantiation thereof after notice and hearing, and if revoked, the Board in its discretion may determine that the license shall be permanently revoked and not subject to reinstatement. Respondent further agrees that any violation of this Consent Order shall be deemed to be sufficient to authorize the Board to order summary suspension of Respondent's license, pending further proceedings, pursuant to the provisions of the Georgia Administrative Procedure Act, O.C.G.A. § 50-13-18(c)(1), or any other statute authorizing emergency action, but Respondent understands that Respondent shall be entitled to an expedited hearing to substantiate such violation(s), if the Board exercise such right.

5.

Respondent acknowledges that she has read this Consent Order and understands its contents. Respondent understands that she has a right to a hearing, and freely, knowingly, and voluntarily waives that right. Respondent understands that the Consent Order will not become effective until approved and docketed by the Georgia Composite Medical Board. Respondent further understands that the Board shall have the authority to review the investigative file and all relevant evidence in considering the Consent Order. Respondent further understands that the Consent Order, once approved, and its dissemination shall constitute a public record. However, if the Consent Order is not approved, it shall not

constitute an admission against interest in the proceeding, or prejudice the right of the Board to adjudicate the matter. Respondent consents to the terms and conditions contained herein.

Approved, this 12 day of July, 2016.
