**CONSENT ORDER**

The Division of Professional Regulation of the Illinois Department of Financial and Professional Regulation (“Department”), by one of its attorneys Brandon R. Thom, and Terrence Charles Casey, M.D. (“Respondent”), by and through Respondent’s attorney, Patrick Callahan, hereby agree to the following:

**STIPULATIONS**

Respondent holds Illinois Physician and Surgeon License no. 036.123064 pursuant to the Illinois Medical Practice Act of 1987, 225 ILCS 60/et seq., which is presently in “Active” status. At all times material to the matter set forth in this Consent Order, the Department had jurisdiction over the subject matter and the parties herein.

The Department received a notice of termination from Centerstone in Carbondale, IL, indicating that Respondent had been terminated from his employment as a Psychiatrist at Centerstone due to his allegedly arriving at Centerstone in an impaired state on April 6, 2018. Further, Respondent self-reported that on May 18, 2022, he had been convicted of Class A Misdemeanor Driving Under the Influence in Randolph County, Illinois, case number 2021DT48. Through the course of subsequent investigation, the Department learned that Respondent self-prescribes psychological medications.

On September 21, 2022, an informal conference was held via WebEx. Respondent was present with his attorney, Patrick Callahan. Present for the Department was Chief of Medical Prosecutions Brandon R. Thom and Chief Medical Coordinator, Shami Goyal, M.D. At the Conference, Respondent explained the events that took place leading to his termination from Centerstone and his DUI conviction. Respondent provided evidence in mitigation, including an evaluation which diagnosed Respondent with

Major Depressive Disorder, recurrent, in full remission, and concluded that Respondent is safe to practice medicine if given the proper oversight and treatment regimen.

The aforementioned conduct as set forth herein, if proven to be true, would constitute grounds for disciplinary action against Respondent's license pursuant to 68 IAC 1285.240 and 225 ILCS 60/22(A)(5).

Respondent admits that the information recited herein is accurate and complete. At all times material to the matter set forth in this Consent Order, the Department had jurisdiction over the subject matter and the parties herein. Respondent has been advised of the right to have any allegation(s) reduced to written charges, to a hearing where the Department bears the burden to prove its allegations by clear and convincing evidence, the right to contest any charges brought and present mitigating evidence, and the right to administrative review of any order resulting from a hearing. Respondent knowingly waives each of these rights, as well as any right to administrative review of this Consent Order. Such waiver ceases if this Consent Order is rejected by the Illinois State Medical Board ("Board") or Director. Respondent acknowledges that Respondent has entered into this Consent Order freely and of Respondent's own will without threat or coercion by the Department or any person and has not relied upon any representation made by or on behalf of the Department other than those specifically included herein. Respondent acknowledges that the Department attorney may be requested to communicate with the Board or Director in furtherance of the approval of this Consent Order. Respondent has been informed that this Consent Order will be presented to the Director. If this Consent Order is not approved, Respondent waives any right to raise any prejudice resulting from the Director's consideration of this Consent Order. Respondent understands that this Consent Order is not effective unless and until it is adopted by the Director. A copy of any original signature(s) shall be given the full force and effect of an original signature(s) affixed to this Consent Order.

Respondent and the Department agree, in order to resolve this matter, that Respondent be permitted to enter into a Consent Order with the Department, providing for the imposition of disciplinary measures which

are fair and equitable in the circumstances and which are consistent with the best interests of the people of the State of Illinois.
