2. On or about October 18, 2017, Respondent's Illinois Physician and Surgeon License was temporarily suspended by the Director of the Division of Professional Regulation based on allegations that Respondent engaged in boundary violations with a minor patient of his psychiatric practice. See Department's Exhibit A, attached hereto and made a part of this Complaint.
3. On or about June 2, 2018, Respondent's Illinois Physician and Surgeon License was indefinitely suspended by the Director of the Division of Professional Regulation based on allegations of inappropriate controlled substance prescribing for patients of his
