The above-entitled proceeding was docketed for investigation by the Louisiana State Board of Medical Examiners (the "Board") following the receipt information which indicated that Sreelatha Pulakhandam, M.D. ("Dr. Pulakhandam"), who is, and was at all times material to the facts and matters alleged herein, a physician duly licensed by the Board to practice medicine in the state of Louisiana pursuant to the Louisiana Medical Practice Act, La. Rev. Stat. §§37:1261 *et seq.*, as evidenced by Certificate No. 201314, may have been directing clinic staff to fill out pre-signed prescriptions, including prescriptions for drugs containing buprenorphine, a Schedule III controlled substance, and to complete medical records on her patients while she was out of the country. Additionally, Dr. Pulakhandam may have falsified medical records to indicate that she examined patients on dates when she was out of the country.

As evidenced by her subscription hereto, Dr. Pulakhandam acknowledges that the foregoing information could provide the Investigating Officer for the Board with probable cause to pursue formal administrative proceedings against her for violation of the Louisiana Medical Practice Act, La. Rev. Stat. §§37:1285A(6), (13), (18), (30), and the Board Rules,¹ constituting

¹ Pursuant to La. R.S. §37:1285(A), the Board may suspend, revoke, or impose probation or other restrictions on the license of an individual licensed to practice medicine in the State of Louisiana as a result of: "(6) [p]rescribing, dispensing, or administering legally controlled substances or any dependency-induced medication without legitimate medical justification therefore or in other than a legal or legitimate manner;" "(13) [u]nprofessional conduct, including but not limited to . . . intentionally falsifying or fraudulently altering records, or failing to create or maintain medical records . . . [and] enabling the unauthorized practice of medicine;" "(18) [k]nowingly performing any act which, in any way, assists an unlicensed person to practice medicine;" and "(30) [v]iolation of any rules and regulations of the board. . . ." Pursuant to the Board Rules, physicians may not "falsely create or alter a medical record or destroy a medical record except as authorized by law." La. Admin Code 46:XLV.7603(A)(10). ." Pursuant to the Board Rules, physicians may not "enter into any arrangement, as medical director or otherwise, that allows or condones an unlicensed individual to engage in the practice of medicine, as defined by R.S. 37:1261(1), in the absence of the

sufficient cause for the revocation, suspension or such other action against her license to practice medicine in the state of Louisiana as the Board may determine appropriate.

Recognizing her right to written notification of any charges that may be asserted against her as a result of this investigation, as well as the right to administrative adjudication of such charges, at which time she would be entitled to be represented by legal counsel, to call witnesses and to present evidence on her own behalf in defense or in mitigation of the charges made, and to a decision thereon by the Board based upon written findings of fact and conclusions of law, pursuant to La. Rev. Stat. §§49:955-965, Dr. Pulakhandam, nonetheless, hereby waives her right to formal adjudication and, pursuant to La. Rev. Stat. §49:955(D), consents to entry of the Order set forth hereinafter. Dr. Pulakhandam also acknowledges that she hereby waives any right to which she may be entitled pursuant to the Louisiana Administrative Procedure Act, La. Rev. Stat. §49:951, *et seq.*, or to which she otherwise may be afforded by any law to contest her agreement to or the force and effect of the Board's investigation or this document in any court or other forum. By her subscription hereto, Dr. Pulakhandam also hereby authorizes the I/O designated by the Board with respect hereto, to present this Consent Order to the Board for its consideration and to fully disclose to and discuss with the Board the nature and results of the investigation, and she waives any objection to such disclosures under La. Rev. Stat. §49:960. Dr. Pulakhandam expressly acknowledges that the disclosure of such information to the Board by the I/O shall be without prejudice to the I/O's authority to proceed with the filing and adjudication of an Administrative Complaint against her or to the Board's capacity to adjudicate such Complaint, should the Board decline to approve this Consent Order.
