RE: Surrender of License to Practice Medicine
License Number: D10428
MBP Case Number: 2016-0920

Dear Ms. Farrelly and Members of Disciplinary Panel A,

Please be advised that I have decided to **SURRENDER** my license to practice medicine in the State of Maryland, License Number D10428, effective March 13, 2017. I will use the time between now and the effective date to wrap-up treatment of my current patients as soon as possible and I will not accept any new patients before the effective date. I understand that upon surrender of my license, I may not give medical advice or treatment to any individual, with or without compensation, and cannot prescribe medications or otherwise engage in the practice of medicine in the State of Maryland as it is defined in the Maryland Medical Practice Act (the "Act"), Md. Code Ann., Health Occ. ("Health Occ.") §§ 14-101 *et seq.* (2014 Repl. Vol.) and other applicable laws. In other words, as of the effective date of this Letter of Surrender, I understand that the surrender of my license means that I am in the same position as an unlicensed individual in the State of Maryland.

I understand that this Letter of Surrender is a **PUBLIC DOCUMENT** and on Disciplinary Panel A ("Panel A") of the Maryland State Board of Physicians' (the "Board's") acceptance, becomes a **FINAL ORDER** of Panel A.

I acknowledge that the Board opened an investigation concerning my overprescribing of controlled substances. I have decided to surrender my license to practice medicine in the State of Maryland to avoid further investigation and prosecution of these allegations and due to my current health issues and planned retirement. I recognize that for all purposes relevant to medical licensure that these allegations shall be treated as proven and that these allegations support a conclusion that I violated Health Occ. § 14-404(a) (22), which requires that a physician practice within the standard of care.

I wish to make it clear that I have voluntarily, knowingly and freely chosen to submit this Letter of Surrender to avoid the issuance of charges and prosecution of the aforementioned allegations. I do not wish to contest these allegations.

I understand that by executing this Letter of Surrender I am waiving my right to contest any charges that would issue from Panel A's investigative findings in a formal evidentiary hearing at which I would have had the right to counsel, to confront witnesses, to give testimony, to call witnesses on my own behalf and all other substantive and procedural protections provided by law, including the right to appeal.

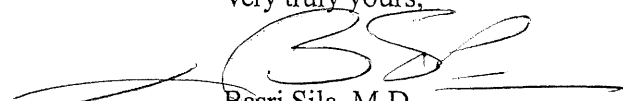

I understand that the Board will advise the Federation of State Medical Boards and the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank of this Letter of Surrender, and in response to any inquiry, that I have surrendered my license as if it were revoked. I also understand that in the event I would apply for licensure in any form in any other state or jurisdiction, that this Letter of Surrender may be released or published by the Board or Panel A to the same extent as a Final Order that would result from disciplinary action, pursuant to Md. Code Ann. Gen Prov. § 4-101 *et seq.* (2014), and that this Letter of Surrender constitutes a disciplinary action by Panel A.

I affirm that as of the effective date of this Letter of Surrender, I will present to the Board my original Maryland medical license number D10428, and my most recent wallet-sized renewal card. I also affirm that I will provide access to and copies of patient medical records in compliance with Title 4, subtitle 3 of the Health General Article.

I further recognize and agree that by submitting this Letter of Surrender, my license will remain surrendered unless and until the Board grants reinstatement. In the event that I apply for reinstatement of my Maryland License, I understand that Panel A or its successor is not required to grant reinstatement. I further understand that if I ever file petition for reinstatement, I will approach Panel A or its successor in the same position as an individual whose license has been revoked. I also understand that if I apply for reinstatement, I bear the burden of demonstrating my professional competence and fitness to practice medicine to the satisfaction of Panel A or its successor.

I acknowledge that I may not rescind this Letter of Surrender in part or in its entirety for any reason whatsoever. Finally, I wish to make clear that I have been advised of my right to be represented by the attorney of my choice throughout proceedings before Panel A, including the right to counsel with an attorney prior to signing this Letter of Surrender. I understand both the nature of Panel A's actions and this Letter of Surrender fully. I acknowledge that I understand and comprehend the language, meaning and terms and effect of this Letter of Surrender. I voluntarily choose to surrender my Maryland license to practice medicine pursuant to the terms and conditions set out herein. I make this decision knowingly and voluntarily.

Very truly yours,

Basri Sila, M.D.
