ORDER GRANTING REINSTATEMENT

On February 18, 2011, Chilakamarri Ramesh, M.D., hereafter Petitioner, filed with the Michigan Board of Medicine, hereafter Board, an application for reinstatement of his license to practice medicine in the state of Michigan with supporting affidavits, in accordance with the provisions of 1996 AACRS, R 338.1635.

On March 14, 2011, the Department of Attorney General, Licensing & Regulation Division, on behalf of the Department of Licensing and Regulatory Affairs, Bureau of Health Professions, hereafter Department, filed a response taking no position on Petitioner's application for reinstatement.

The Board, having reviewed the application for reinstatement and response, considered the within matter at the regularly scheduled meeting held in Lansing, Michigan, on May 18, 2011, Now therefore,

IT IS HEREBY ORDERED that Petitioner is granted a LIMITED license to practice medicine in the state of Michigan for a minimum period of two years,

commencing on the effective date of this order. Reduction of the period of limitation shall occur only while Petitioner is employed in a capacity for which a license to practice medicine is required. The terms of limitation shall be as follows:

1. IMMIGRATION NATURALIZATION WAIVERS: Petitioner shall be precluded from signing United States immigration naturalization waivers for citizenship.
2. SUPERVISED PRACTICE. Petitioner's practice of medicine shall be under the **general supervision** of a supervising physician, pre-approved by the Chairperson of the Board or the Chairperson's designee. Petitioner shall provide a copy of this Order to Petitioner's supervising physician, who shall be knowledgeable of Petitioner's history and shall provide reports concerning Petitioner's work performance to the Department on a quarterly basis, as set forth below.

"General supervision" is defined as the continuous availability of direct communication between Petitioner and the supervising physician. The supervising physician shall, on a regularly scheduled basis, review the practice and records of Petitioner.

Petitioner shall submit to the Department written correspondence requesting approval of the proposed supervising physician. This request shall include, at a minimum, the individual's name, employment position, telephone number, and confirmation that the proposed supervising physician has received a copy of this Order.

Petitioner shall ensure that the correspondence is submitted to the Department of Licensing and Regulatory Affairs, Bureau of Health Professions, Sanction Monitoring, P.O. Box 30670, Lansing, MI 48909, or may fax this information to (517) 241-1431.

Petitioner **shall not** commence employment in a capacity for which a medical license is required until Petitioner has received written notification from the

Department confirming that the proposed supervising physician has been approved.

IT IS FURTHER ORDERED that Petitioner may petition for reclassification of the limitation pertaining to immigration naturalization waivers two years from the effective date of this Order, in accordance with 1996 AACS, R 338.1636.

IT IS FURTHER ORDERED that the limitation pertaining to supervised practice shall be automatically REMOVED at the end of the two-year limitation period.

IT IS FURTHER ORDERED that Petitioner is placed on PROBATION to run concurrent with the period of general supervision limitation, commencing on the effective date of the Order. Reduction of the probationary period shall only occur while Petitioner is employed in a capacity for which a license to practice medicine is required. The terms of probation shall be as follows:

1. SUPERVISOR REPORTS: Petitioner's supervising physician shall file reports with the Department, as further provided herein, advising of Petitioner's work performance.

In the event Petitioner, at any time, fails to comply with the minimal standards of acceptable and prevailing practice or appears unable to practice with reasonable skill and safety, the Department shall be **immediately** so notified by Petitioner's supervising physician.

2. SUPERVISION CHANGE: Petitioner shall report to the Department, in writing, any and all changes in Petitioner's supervising physician within 15 days of such change.

Petitioner shall provide a copy of this Order to each successor supervising physician. The successor supervising physician shall be knowledgeable of Petitioner's history and shall continue to file reports with the Department advising of Petitioner's work performance, as set forth above.

If Petitioner's employment change requires Petitioner to have a license to practice medicine, Petitioner shall, prior to the change in employment, submit to the Department written correspondence requesting approval of the proposed successor supervising physician.

Petitioner **shall not** commence employment in the new employment setting until Petitioner has received written notification from the Department confirming that the proposed successor supervising physician has been approved.

3. REPORT OF NON-EMPLOYMENT: If at any time during the period of probation Petitioner is not employed as a physician, Petitioner shall file a report of non-employment with the Department within 15 days after becoming unemployed. Petitioner shall continue to file a report of non-employment on a quarterly basis until Petitioner returns to employment as a physician, at which time Petitioner shall notify the Department of this fact within 15 days of returning to practice.
4. RESIDENCY AND PRACTICE OUTSIDE MICHIGAN: Periods of residency and practice outside Michigan shall not reduce the probationary period of this Order. Petitioner shall report any change of residency or practice outside Michigan no more than 15 days after the change occurs. Compliance with this provision does not satisfy the requirements of sections 16192(1) and 16221(g) of the Public Health Code, supra, regarding Petitioner's duty to report name or mailing address changes to the Department.
5. COMPLIANCE WITH THE PUBLIC HEALTH CODE: Petitioner shall comply with all applicable provisions of the Public Health Code and rules promulgated thereunder.

6. REPORTING PROCEDURE: Unless requiring immediate notification as indicated above, all reports required herein shall be filed on a quarterly basis, the first report to be filed on a quarterly basis, the first report to be filed at the end of the third month of probation, and subsequent reports to be filed every three months thereafter until Petitioner is discharged from probation.

In addition to receiving reports as required herein, the Department or its authorized representative may periodically contact the reporting individuals or agencies to inquire of Petitioner's progress.

Petitioner shall direct all communications required by the terms of this Order to: Department of Licensing and Regulatory Affairs, Bureau of Health Professions, Sanction Monitoring, P.O. Box 30670, Lansing, MI 48909.

The timely filing of all information relating to this Order shall be Petitioner's responsibility, and failure to file said information within the time limitations herein provided shall be deemed a violation of an order of the Board.

7. COSTS: Petitioner shall be solely responsible for payment of all costs incurred in complying with the terms of this Order.

IT IS FURTHER ORDERED that Petitioner shall be automatically discharged from probation upon removal of the supervised practice limitation, PROVIDED Petitioner has complied with the terms of this Order and has not violated the Public Health Code.

IT IS FURTHER ORDERED that in the event Petitioner violates any provision of this Order, and if such violation is deemed to constitute an independent violation of the Public Health Code, or the rules promulgated thereunder, the Board may

proceed to take disciplinary action pursuant to 1996 AACRS, R 338.1632 and section 16221(g) of the Public Health Code, supra.

IT IS FURTHER ORDERED that this Order shall be effective on the date signed by the Board's Chairperson or authorized representative, as set forth below.
