The Michigan Department of Licensing and Regulatory Affairs (Complainant) by Kim Gaedeke, Director, Bureau of Professional Licensing, files this Complaint against Jaime Ayala, M.D. (Respondent) as follows:

1. The Michigan Board of Medicine (Board) is an administrative agency established by the Public Health Code, 1978 PA 368, as amended; MCL 333.1101 et seq. Pursuant to section 16226 of the Public Health Code, supra, the Board's Disciplinary Subcommittee is empowered to discipline licensees for violations of the Public Health Code.

5. On September 11, 2014, Respondent was required to examine his psychiatric patients that were in restraints every eight hours. In order for Respondent to be able to report to work at a later time (around 6:00 a.m., rather than 5:00 a.m.) on September 12, 2014, Respondent documented that he examined the following patients at times after the examinations occurred:

- a. Respondent examined patient J.P. (initials are used throughout to protect the patients' identities) at 9:00 p.m. However, Respondent documented that he examined patient J.P. at 10:00 p.m.
- b. Respondent examined patient M.R. at 9:14 p.m. However, Respondent documented that he examined patient M.R. at 9:54 p.m.
- c. Respondent examined patient L.B. at 9:20 p.m. However, Respondent documented that he examined patient L.B. at 9:52 p.m.
- d. Respondent examined patient M.C. at 9:23 p.m. However, Respondent documented that he examined patient M.C. at 9:55 p.m.
- e. Respondent examined patient J.W. at 9:33 p.m. However, Respondent documented that he examined patient J.W. at 9:53 p.m.
- f. Respondent examined patient H.M. at 9:45 p.m. However, Respondent documented that he examined patient H.M. at 9:55 p.m.

6. On November 17, 2014, in an interview with the facility's investigator, Respondent admitted that he "changed the times" when documenting his above mentioned examinations.

7. In December 2014, based on the conduct described above, facility management terminated Respondent's contract. Later, facility management notified Complainant of Respondent's termination pursuant to section 20175(5) of the Public Health Code, supra.

#### COUNT I

Respondent's conduct, as set forth above, evidences violations of general duty, consisting of negligence or failure to exercise due care, including negligent delegation to or supervision of employees or other individuals, whether or not injury results, in violation of section 16221(a) of the Public Health Code, supra.

#### COUNT II

Respondent's conduct, as set forth above, evidences departures from, or failures to conform to, minimal standards of acceptable and prevailing practice for the health profession, whether or not actual injury to an individual occurs, in violation of section 16221(b)(i) of the Public Health Code, supra.

#### COUNT III

Respondent's conduct, as set forth above, evidences a lack of good moral character, in violation of section 16221(b)(vi) of the Public Health Code, supra.

Complainant requests that this Complaint be served upon Respondent and that Respondent be offered an opportunity to show compliance with all lawful requirements for retention of the license. If compliance is not shown, Complainant

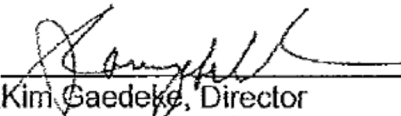

further requests that formal proceedings be commenced pursuant to the Public Health Code, rules promulgated thereunder, and the Administrative Procedures Act of 1969, MCL 24.201, et seq.
