### STIPULATION

The parties stipulate as follows:

1. Respondent does not contest the allegations of fact and law in the complaint. Respondent understands that, by pleading no contest, he does not admit the truth of the allegations but agrees that the Disciplinary Subcommittee may treat the allegations as true for resolution of the complaint and may enter an order treating the allegations as true.

2. Respondent understands and intends that, by signing this stipulation, he is waiving the right under the Public Health Code, rules promulgated under the Public Health Code, and the Administrative Procedures Act of 1969, 1969 PA 306, as amended, MCL 24.201 *et seq.*, to require the Department to prove the charges set forth in the complaint by presentation of evidence and legal authority, and to present a defense to the charges before the Disciplinary Subcommittee or its authorized representative. Should the Disciplinary Subcommittee reject the proposed consent order, the parties reserve the right to proceed to hearing.

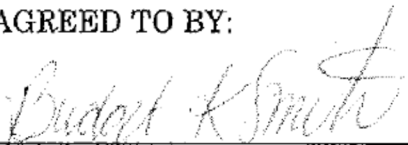

3. The Disciplinary Subcommittee may enter the above Consent Order, supported by Board conferee Peter Graham, M.D. Dr. Graham or an attorney from the Licensing and Regulation Division may discuss this matter with the Disciplinary Subcommittee in order to recommend acceptance of this resolution.

4. Dr. Graham and the parties considered the following factors in reaching this agreement:

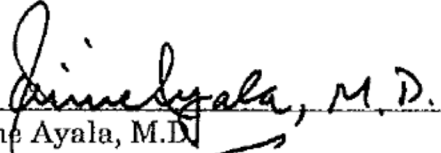

- A. During a November 2014 interview with the Michigan Department of Corrections, Respondent acknowledged it was an error of judgment to change the times. However, he explained that the electronic medical records were preventing physicians from making late entries, so he was advised to change the times to avoid these issues.

By signing this stipulation, the parties confirm that they have read, understand and agree with the terms of the consent order.
