3. On August 13, 2021, the Missouri State Board of Registration for the Healing Arts (Missouri Board) executed an Order (Missouri Order) that granted Respondent a physician and surgeon's license; however, Respondent was issued a

public reprimand and ordered to complete Board-approved continuing education. The Missouri Order was based, in pertinent part, on Respondent failing to disclose on her application for licensure prior disciplinary history from the University of Virginia, failing to be forthright regarding Montana State Hospital's decision to not rehire Respondent, and Respondent allowing her husband to complete her application for licensure and pose as Respondent in communications with Missouri Board staff. A copy of the Missouri Order, marked Exhibit A, is attached and incorporated.

### COUNT I

The action by the Missouri Board, as set forth above, constitutes a final adverse administrative action by a licensure, registration, disciplinary, or certification board involving the holder of, or an applicant for, a license or registration regulated by another state or a territory of the United States, in violation of MCL 333.16221(b)(x).

RESPONDENT IS NOTIFIED that, pursuant to MCL 333.16231(8), Respondent has 30 days from the date of receipt of this Complaint to submit a written response to the allegations contained in it. Pursuant to section 16192(2) of the Code, Respondent is deemed to be in receipt of the complaint 3 days after the date of mailing listed in the attached proof of service. The written response shall be submitted by email to the Department of Licensing and Regulatory Affairs, Bureau of Professional Licensing to [LARA-BPL-RegulationSection@michigan.gov](mailto:LARA-BPL-RegulationSection@michigan.gov). Box 30670, Lansing, MI 48909.

Respondent's failure to submit an answer within 30 days is an admission of the allegations in this Complaint. If Respondent fails to answer, the Department shall transmit this Complaint directly to the Board's Disciplinary Subcommittee to impose a sanction, pursuant to MCL 333.16231(9).
