ADMINISTRATIVE COMPLAINT

NOW COMES the Michigan Department of Community Health, hereafter Complainant, by Melanie B. Brim, Director, Bureau of Health Professions, and files this complaint against Philip Lloyd Creps, D.O., hereafter Respondent, alleging upon information and belief as follows:

1. The Michigan Board of Osteopathic Medicine and Surgery, hereafter Board, is an administrative agency established by the Public Health Code, 1978 PA 368, as amended; MCL 333.1101 et seq. Pursuant to section 16226 of the Public Health Code, supra, the Board's Disciplinary Subcommittee is empowered to discipline licensees for violations of the Public Health Code.

2. Respondent is currently licensed to practice osteopathic medicine and surgery in the state of Michigan and holds a current controlled substance license. Respondent's address of record with Complainant is South Bend, Indiana.

3. On February 8, 2006, the State Medical Board of Ohio, hereafter Ohio Board, issued an Entry of Order which permanently revoked Respondent's license.

The revocation was stayed and Respondent's license was suspended for an indefinite period of time, but not less than two years. The disciplinary action was based, in part, on Respondent's failure to provide complete and accurate information on his Ohio licensure application pertaining to actions taken against Respondent by two medical schools. Copies of the Ohio Board documents, marked Exhibit A, are attached and incorporated.

COUNT I

The foregoing disciplinary action in the state of Ohio, as set forth above, constitutes a final adverse administrative action by a licensure, registration, disciplinary, or certification board involving the holder of, or an applicant for, a license or registration regulated by another state or a territory of the United States, in violation of section 16221(b)(x) of the Public Health Code, supra.

WHEREFORE, Complainant requests that the within complaint be served upon Respondent and that Respondent be offered an opportunity to show compliance with all lawful requirements for retention of the license. If compliance is not shown, Complainant further requests that formal proceedings be commenced pursuant to the Public Health Code, rules promulgated thereunder, and the Administrative Procedures Act of 1969, 1969 PA 306, as amended; MCL 24.201 et seq.

RESPONDENT IS HEREBY NOTIFIED that, pursuant to section 16231(7) of the Public Health Code, supra, Respondent has 30 days from the date of receipt of this complaint to submit a written response to the allegations contained herein. The written response shall be submitted to Complainant, Melanie B. Brim, Director, Bureau of Health Professions, Department of Community Health, P.O. Box 30670, Lansing, MI 48909.

RESPONDENT IS FURTHER NOTIFIED that, pursuant to section 16231(8) of the Public Health Code, supra, Respondent's failure to submit a written response within 30 days, as noted above, shall be treated as an admission of the allegations contained herein and shall result in transmittal of this complaint directly to the Board's Disciplinary Subcommittee for imposition of an appropriate sanction.
