

BEFORE THE MISSISSIPPI STATE BOARD OF MEDICAL LICENSURE

IN THE MATTER OF THE PHYSICIAN'S LICENSE

OF

DARRELL L. WILSON, M.D.

CONSENT ORDER

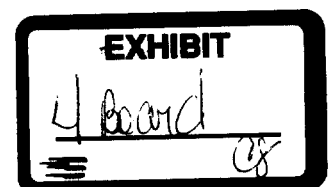

WHEREAS, Darrell L. Wilson, M.D., hereinafter referred to as "Licensee", is the current holder of License No. 13221 for the practice of medicine in the State of Mississippi;

WHEREAS, the Investigative Staff of the Mississippi State Board of Medical Licensure has conducted a comprehensive investigation into the medical practice of Darrell L. Wilson, M.D., Jackson, Mississippi and Memphis, Tennessee;

WHEREAS, Licensee has been diagnosed with the disease of chemical dependency and has admitted himself for retreatment at the Pine Grove Recovery Center/Next Step Facility, Hattiesburg, Mississippi;

WHEREAS, such conduct is in violation of the Mississippi Medical Practice Act specifically Mississippi Code Annotated, Section 73-25-29(1), (8)(d) and Section 73-25-83(a), as amended, for which the Mississippi State Board of Medical Licensure may revoke the medical license of Licensee, suspend it for a time deemed proper by the Board or take any other action as the board may deem proper under the circumstances;

WHEREAS, Licensee wishes to avoid a hearing before the Mississippi State Board of Medical Licensure and in lieu thereof has consented to certain restrictions on

his license to practice medicine in the State of Mississippi;

NOW, THEREFORE, the Mississippi State Board of Medical Licensure with the consent of Licensee as signified by his joinder herein, does hereby indefinitely suspend Licensee's Certificate No (13221) to practice medicine in the State of Mississippi, with the suspension automatically stayed, subject to the following probationary terms and conditions:

- 1. Licensee's use of his Drug Enforcement Administration Uniform Controlled Substances Registration Certificate for Schedules II, IIN, III, IIIN, IV and V shall be limited to ordering controlled substances which are to be administered to patients that have been admitted to and are in the Emergency Room at Holly Springs Memorial Hospital. This excludes the issuing of prescriptions in any manner for controlled substances to any patients.**
- 2. Licensee's use of the medications Stadol (Butorphanol Tartrate), Nubain (Nalbuphine), Dalgan (Dezocine), Soma (Carisoprodol) or Butalbital products shall be limited to ordering or administering to patients that have been admitted to and are in the Emergency Room at Holly Springs Memorial Hospital. This excludes the issuing of prescriptions in any manner for any of the above referenced substances to any patients.**
- 3. Licensee shall totally abstain from the use of any alcoholic or intoxicating beverage, and shall not prescribe, dispense or administer to himself or family members any controlled substances**

or other drug having addiction-forming or addiction-sustaining liability.

- 4. Licensee shall successfully complete all required phases of treatment at the Pine Grove Recovery Center/Next Step Facility, Hattiesburg, Mississippi. Following the prescribed course of treatment, Licensee shall immediately, within ten (10) days, obtain affiliation with the Mississippi State Medical Association's Impaired Professionals Program. Licensee's affiliation shall be verified in writing to the attention of the Mississippi State Board of Medical Licensure's Medical Consultant. A copy of any and all aftercare conditions and/or contracts shall be forwarded to said Medical Consultant. Licensee shall adhere to all aftercare conditions imposed upon Licensee by the treatment facility of the Mississippi State Medical Association Impaired Professionals Program. In the event Licensee should be desirous of affiliation with a professional recovery program in any other state, Licensee shall be required to first, appear before the Mississippi State Board of Medical Licensure and obtain written authorization for such affiliation. In the event Licensee suffers a relapse, fails to comply with any or all aftercare conditions imposed by either the Impaired Professionals Program or the treatment facility or fails to comply with any or all of the conditions imposed by this Consent Order, Licensee shall immediately be prohibited from practicing medicine**

until such time as the board determines that Licensee is able to return to the practice of medicine with reasonable skill and safety to patients. When considering Licensee's return to the practice of medicine, the Board may in its sole discretion, require licensee to undergo further evaluation for chemical dependency.

- 5. Licensee shall submit to random, unannounced and witnessed urine and/or blood screens to determine the presence of any mood altering drugs and/or alcohol for an indefinite period of time with the collection and submission to be determined and monitored by the Medical Consultant of the Mississippi State Board of Medical Licensure. Licensee will be responsible for all costs and expenses incurred in relation to the urine and/or blood screens. Upon request of the Board, Licensee shall provide to the Board a monthly work itinerary at the beginning of each month for the purpose of compliance with urine screen monitoring.**
- 6. Licensee shall not administer, dispense or prescribe to himself any drugs having addiction-forming or addiction-sustaining liability. In the event a urine or blood screen is received indicating the presence of any mood-altering drugs and/or agents, Licensee shall be deemed to have suffered a relapse, unless prescribed by his primary care physician/dentist in compliance with Paragraph 7 below.**
- 7. Licensee shall obtain the services of a primary care physician,**

approved by the Board, for treatment of simple illnesses and similar medical conditions of himself. Licensee shall not treat himself or family members. Additionally, Licensee shall provide the Board with an authorization to obtain medical information for the purpose of monitoring any treatment that Licensee may receive from said primary care physician. In the event the primary care physician determines that it is necessary to administer or prescribe to Licensee any drug having addiction-forming or addiction-sustaining liability, the primary care physician shall so notify the Board to the attention of its Medical Consultant within twenty-four (24) hours after the dispensing, administration or prescribing of said medication. This requirement shall apply to any care rendered to Licensee by a dentist. The responsibility to ensure that the primary care physician or dentist files the required notification rests solely with Licensee. Unless being treated in an emergency situation, Licensee shall not receive any controlled substances or drugs having addiction-forming or addiction-sustaining liability from any source other than the primary care physician or dentist.

8. Licensee shall obey all federal, state and local laws and all rules governing the practice of medicine and shall comply with the rules and regulations of the Board "Pertaining to Prescribing, Administration and Dispensing of Medication." Licensee shall

thoroughly familiarize himself with said rules and regulations and shall so indicate to the Board in writing.

- 9. In the event Licensee should leave Mississippi to reside or to practice outside the State, Licensee shall notify the Board in writing of the dates of departure and return. Period of residency or practice outside Mississippi will not apply to the reduction of time periods specified in this Consent Order.**

- 10. Licensee's practice shall be limited to a structured and supervised environment such as found at the Mississippi State Hospital, Whitfield, Mississippi; University Health Services; State Department of Health; Department of Corrections or under the supervision of a private practitioner. Whatever supervised setting Licensee chooses, he can not enter into such a supervisory relationship without first obtaining a written protocol and practice plan approved in advance by the Mississippi State Board of Medical Licensure. It is the intent and purpose of this condition to require Licensee, after locating an acceptable practice situation within the perimeters as enumerated above to:**
 - (a) Prepare a written practice plan by and between him and his supervisory physician,**

 - (b) Appear personally before the Board with said supervising physician; and**

 - (c) Obtain approval from the Board in advance**

prior to the initiation of any medical practice.

- 11. Within one (1) year of the effective date of this Consent Order, Licensee shall successfully complete the course entitled, "Physician Education Program in Clinical, Legal and Ethical Issues in Prescribing Abusable Drugs," sponsored by the University of South Florida, or a course of equivalent content and duration approved by the Board. Following completion of said course, Licensee shall submit to the Board, documentary proof of successful completion. During each year of probation, Licensee shall obtain fifty (50) hours of continuous medical education (CME) approved by the American Medical Association in the area of family medicine, with emphasis on the use of controlled substances. Following completion of each course, Licensee shall submit to the Board documented proof of successful completion.**

Licensee shall have the right to petition the Mississippi State Board of Medical Licensure for a release of any or all above enumerated conditions after expiration of five (5) years from the effective day hereof. Thereafter, any right to petition the Board for reconsideration shall be at reasonable intervals, but not less than twelve (12) months from date of last appearance.

This Consent Order shall be subject to approval by the Mississippi State Board of Medical Licensure. If the Board fails to approve the Consent Order, in whole or in part, it shall have no force or effect on the parties. It is further understood and agreed that the purpose of this Consent Order is to avoid a hearing before the Board. In this

regard, Licensee authorizes the Board to review and examine any documentary evidence or materials concerning the Licensee prior to or in conjunction with its consideration of the Consent Order. Should the Consent Order not be accepted by the Board, it is agreed that presentation to and consideration of the Consent Order and other documents and matters pertaining thereto by the Board shall not unfairly or illegally prejudice the Board or any of its members from further participation or consideration of the resolution of the proceedings.

Licensee understands and expressly acknowledges that this Consent Order if approved and executed by the Mississippi State Board of Medical Licensure shall constitute a public record of the State of Mississippi.

Recognizing his right to notice of charges specified against him, to have such charges adjudicated pursuant to Mississippi Code Annotated, Section 73-25-27 (1972), to be represented therein by legal counsel of his choice, and to a final decision rendered upon written findings of fact and conclusions of law, Darrell L. Wilson, M.D., nonetheless, hereby waives his right to notice and a formal adjudication of charges and authorizes the Board to enter an order accepting this Consent Order, thereby suspending his license to practice medicine in the State of Mississippi, for an indefinite period of at time, staying the suspension and placing said license on probation subject to those terms and conditions enumerated above.

Signed this the 21 day of June, 1995.
