Daniel Jackson Blake, M.D.,) CONSENT ORDER

Respondent.)

This matter is before the North Carolina Medical Board (hereinafter Board) regarding the application of Daniel Jackson Blake, M.D. (hereinafter Dr. Blake) for a license to practice medicine.

Whereas, while previously licensed to practice medicine in North Carolina, Dr. Blake had an inappropriate relationship with a female patient, and

Whereas that fact is grounds under N.C. Gen. Stat. § 90-14(a)(6) for the Board to deny Dr. Blake's application for a license to practice medicine or to condition or limit any license it might grant him to practice medicine in North Carolina, and

Whereas, after the above-mentioned incident, Dr. Blake surrendered his license to practice medicine in North Carolina, and

Whereas Dr. Blake has undergone intensive outpatient treatment and continues in therapy, and

Whereas Dr. Blake has taken steps and has agreed to take further steps to ensure the Board and the people of North Carolina that he can safely practice medicine, and

Whereas Dr. Blake desires to resolve this matter without the need for more formal proceedings, and

Whereas the Board has determined that it is in the public

interest to resolve this matter as set forth below;

Now, therefore, with Dr. Blake's consent, it is ORDERED that:

1. The Board shall issue Dr. Blake a license dated to expire at 11:59:59 p.m. on June 15, 1996.

2. Dr. Blake shall practice only in a structured setting approved in writing by the President of the Board, which approval the Board and its President are under no obligation to give.

3. Dr. Blake shall limit his practice to male patients only.

4. Dr. Blake shall appear at an informal interview before the Board or a committee or panel of the Board at its May, 1996, meeting, and at such other times as requested by the Board.

5. Dr. Blake shall notify the Board in writing of any change in his residence or practice addresses within ten (10) days of the change.

6. Dr. Blake shall obey all laws.

7. If Dr. Blake fails to comply with any of the terms of this Consent Order, that failure shall constitute unprofessional conduct and shall be grounds, pursuant to N.C. Gen. Stat. § 90-14(a)(6), after any required notice and hearing, for the Board to annul, suspend, revoke, condition, or limit his license to practice medicine or to deny any application he might make in the future or then have pending for a license to practice medicine.

8. This Consent Order shall take effect immediately upon its execution by both Dr. Blake and the Board, and it shall continue in effect until specifically ordered otherwise by the Board.

9. Dr. Blake hereby waives any requirement under any law or

rule that this Consent Order be served on him.

10. Upon execution by Dr. Blake and the Board, this Consent Order shall become a public record within the meaning of Chapter 132 of the North Carolina General Statutes and shall be subject to public inspection and dissemination pursuant to the provisions thereof.

By order of the Board of Medical Examiners of the State of North Carolina this 14th day of JUNE, 1995.
