Respondent. )

This matter is before the North Carolina Medical Board ("Board") regarding Scott Richard McClelland, D.O., ("Dr. McClelland"). Dr. McClelland admits, and the Board finds and concludes, that:

STATUTORY AUTHORITY

The Board is a body duly organized under the laws of North Carolina and is the proper party to bring this proceeding under the authority granted to it in Article 1 of Chapter 90 of the North Carolina General Statutes and the rules and regulations promulgated thereto.

FINDINGS OF FACT

On April 25, 2017, the Board entered into a Consent Order with Dr. McClelland in which he agreed to surrender his Drug Enforcement Agency privileges and to submit to a comprehensive evaluation by the Center for Personalized Education for Physicians ("CPEP"), among other terms and conditions.

Dr. McClelland has complied with all the terms and conditions of his Consent Order. However, because of Dr. McClelland's Amended Consent Order - Scott Richard McClelland, D.O. Page 1 of 4

surrender of his DEA privileges, he may not supervise physician assistants or nurse practitioners per the requirements of Board rule 21 NCAC 32B .1001. The Board also has concerns about Dr. McClelland's continued ability to supervise nurse practitioners and physician assistants.

AMENDED TERMS

Now, therefore, with Dr. McClelland's consent, it is ORDERED that:

1. Dr. McClelland may not supervise physician assistants or nurse practitioners.

2. All of the other terms, conditions, and provisions of the numbered paragraphs contained in Dr. McClelland's Consent Order not otherwise amended or discussed herein, shall remain in effect.

3. Dr. McClelland shall obey all laws. Likewise, he shall obey all rules and regulations involving the practice of medicine.

4. Dr. McClelland shall meet with the Board or members of the Board for an investigative interview at such times as requested by the Board.

5. If Dr. McClelland fails to comply with any of the terms of this Amended Consent Order, that failure shall constitute unprofessional conduct within the meaning of N.C. Gen. Stat. § 90-

14(a)(6) and shall be grounds, after any required notice and hearing, for the Board to annul, suspend or revoke his license and to deny any application he might make in the future or then have pending for a license.

6. This Amended Consent Order shall take effect immediately upon its execution by both Dr. McClelland and the Board and it shall continue in effect until specifically ordered otherwise by the Board.

7. Dr. McClelland hereby waives any requirement under any law or rule that this Amended Consent Order be served on him.

8. Upon execution by Dr. McClelland and the Board, this Amended Consent Order shall become a public record within the meaning of Chapter 132 of the North Carolina General Statutes and shall be subject to public inspection and dissemination pursuant to the provisions thereof. Additionally, it will be reported to persons, entities, agencies and clearinghouses as required and permitted by law including, but not limited to, the Federation of State Medical Boards and the National Practitioner Data Bank.

By Order of the North Carolina Medical Board, this the 15th day of February, 2019.
