This matter is before the North Carolina Medical Board ("Board") regarding Robert Andre Fleury, M.D. ("Dr. Fleury"), license number 25998.

FACTUAL FINDINGS

On September 29, 2020, the Board entered into a Consent Order with Dr. Fleury in which he agreed to implement the recommendations of Center for Personalized Education for Professionals through an educational preceptor. Dr. Duncan McEwen, a board-certified psychiatrist and addiction medicine specialist, was approved to be Dr. Fleury's educational preceptor. Since becoming Dr. Fleury's preceptor, Dr. McEwen has met with Dr. Fleury on multiple occasions and filed favorable reports in March 2021 and May 2021.

On June 11, 2021, Dr. Fleury, through counsel, requested that he be relieved of the September 29, 2020 Consent Order provision requiring ongoing preceptorship.

The Board recognizes that Dr. Fleury has complied in all respects with this condition of his September 29, 2020 Consent Order.

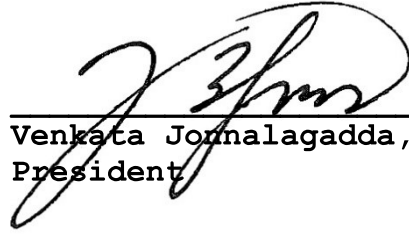

ORDER

The Board hereby orders that Dr. Fleury be relieved of the condition of his September 29, 2020 Consent Order that requires ongoing educational preceptorship. Nothing herein shall affect the public nature of Dr. Fleury's September 29, 2020 Consent Order, and it shall remain a public document on the Board's website.

This the 9th day of August, 2021.
