This matter is before the North Carolina Medical Board ("Board") on the notice previously given pursuant to N.C. Gen. Adrian Morris, M.D., 1:20-CR-261 (MAD) for unlawful distribution and dispensation of controlled substances, in violation of 21 U.S.C. §§ 841(a)(1) and (b)(1)(C), is a felony conviction within the meaning of the above-mentioned statutes and would result in the automatic revocation of his license issued by the Board, unless the Board received a request for a hearing from Dr. Morris within sixty (60) days of his receipt of that notice.
