In the Matter of:

Docket No 19-04

**Jayakumar Patil, MD**

License No.: 7955

(Adjudicatory/Disciplinary Proceeding)

**ORDER APPROVING STAY**

Now before the New Hampshire Board of Medicine (“Board”) is a January 31, 2020 request from Jayakumar Patil, M.D. (“Dr. Patil”), submitted by his attorney Christina A. Ferrari, Esq., for the Board to grant Dr. Patil a stay of the Board’s Final Decision and Order pending the Board’s determination of Dr. Patil’s Motion for Reconsideration and Rehearing, which will be filed in accordance with the deadline of February 10, 2020. Dr. Patil’s request for a stay indicates that while he has been working diligently since his receipt of the Board’s January 10, 2020 Final Decision and Order to notify all of his patients of the Board’s decision, to assist patients in obtaining new providers, and to wind down his practice, due to the size and nature of his practice and his patient population, additional time beyond just thirty (30) days is required to accomplish this monumental task in an orderly fashion with as little adverse impact on patients as possible. Dr. Patil’s request also indicates there is good cause for such a stay and would not unduly risk public harm.

After careful review of Dr. Patil’s request for a stay of the Board’s Final Decision and Order, the Board GRANTS this request with the following conditions:

1. The stay of the revocation of Dr. Patil’s license is approved through March 30, 2020; and
2. No prescription of Dr. Patil’s will be honored after March 30, 2020; and
3. Dr. Patil will continue his monitoring with Leonard Korn, M.D.; and
4. Dr. Patil will not accept any new patients.
