Administrative Action

**INTERIM CONSENT ORDER**

This matter was opened to the New Jersey State Board of Medical Examiners ("Board") upon receipt of information from the Drug Enforcement Administration regarding allegations of indiscriminate prescribing of Controlled Dangerous Substances ("CDS") by Cecilia Wang, M.D. ("Respondent"), a board-certified psychiatrist. Respondent, with License No. 25MA08184300 maintains a psychiatry practice in Wayne, New Jersey.

The DEA advised that on or about March 12, 2019, the Wayne Township Police Department arrested B.V., Respondent's patient, for possession of CDS, heroin, and marijuana.

**CERTIFIED TRUE COPY**

On October 26, 2020, Respondent appeared for an Investigative Inquiry before a committee of the Board to discuss these allegations and her practice of psychiatry.

The Board and Director are currently conducting an investigation regarding her care, treatment, and prescribing practices for six (6) patients.

With Respondent not admitting any inappropriate conduct, the Board and Director and Respondent are desirous of entering into this Interim Consent Order, and the Board and Director finding the within disposition to be adequately protective of the public health, safety, and welfare, and for other good cause shown; and all parties agreeing to the terms of this Order;

IT IS, therefore, on this 7<sup>th</sup> day of April, 2021,

ORDERED THAT:

1. Respondent shall promptly undergo a full evaluation and assessment of her knowledge of and ability to safely engage in the practice of medicine and psychiatric evaluation by the Center for Personalized Education for Physicians ("CPEP") or Drexel University College of Medicine ("Drexel"). Respondent shall contact the assessing entity within 30 days of filing of this Order to schedule an assessment and evaluation. Respondent shall fully and satisfactorily follow and complete all of the requirements of the evaluation and assessment as well as all the recommendations CPEP or Drexel may make with regard to additional evaluations, practice parameters and professional education. Respondent shall complete the assessment within four (4) months of the filing of this Order. The full and complete results from the assessing agency and the results of the completion of the recommendations, if any, must be provided to the Board.

2. Respondent will ensure that all necessary releases are executed with CPEP or Drexel so that the Board and the Attorney General will have access to any communications between Respondent and CPEP or Drexel or as well as the evaluations, assessments, and any recommendations whether issued by CPEP or Drexel, or any consultant recommended by CPEP, or Drexel. In addition, the Board, its agents and employees, including but not limited to the Medical Director of the Board, may communicate directly with the assessing agency with regard to Respondent's participation in any evaluation or assessment or educational program.

3. Respondent specifically acknowledges that the Board may seek to introduce any recommendations, evaluations, or reports issued by the assessing agency as evidence during the course of any future disciplinary proceedings. The Attorney General and the Board, as well as Respondent, may provide to CPEP or Drexel whatever information they may possess with regard to Respondent, including but not limited to any of the patient records that were subpoenaed during the course of the investigation. Said release of these records by the Board or the Attorney General shall not entitle any member of the public to a copy of said documents to the extent they are confidential pending final disposition of the Board's investigation pursuant to N.J.S.A. 45:1-36.

4. Respondent shall be solely responsible for whatever costs are associated with her participation in any evaluation and her compliance with any recommendations or requirements set forth by CPEP or Drexel. The Board explicitly reserves the right to take disciplinary action based on the results of Respondent's evaluation and/or her compliance with any recommendations or requirements of CPEP or Drexel.

5. The parties hereby stipulate that entry of this Interim Order is without prejudice to further action, investigation, and prosecution by this Board, the Attorney General, the Drug Control Unit, the Director of the Division of Consumer Affairs or other law enforcement entities

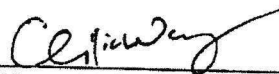

resulting from Respondent's conduct which provides the basis for this Interim Order as well as any other conduct prior to the entry of this Interim Order. The Board shall retain jurisdiction to enforce the terms of this Interim Order. Upon receipt of any reliable information indicating that Respondent has violated any term of this Interim Order, the Board reserves the right to bring disciplinary action.
