AMEND PRIOR BOARD ORDER**

This matter was returned to the New Jersey State Board of Medical Examiners ("Board") on or about October 22, 2021, upon the filing of a Motion to Amend the Order of August 4, 2021, Denying Motion to Restore Respondent's Controlled Dangerous Substances ("CDS") Privileges ("Motion") by Stephen H. Schechner, Esq., counsel for Jay D. Kuris, M.D. The Attorney General opposes the motion. A hearing on the Motion was heard on the papers before the full Board on December 8, 2021. Considered by the Board were the Motion, the Attorney General's November 10, 2021, response, and Dr. Kuris' November 19, 2021, reply. For the reasons articulated in the Board's August 2, 2019, January 17, 2020, and August 2, 2021, Orders, the Motion is denied.
