ORDER

BPMC #11-185

A hearing was held on June 23, 2011 at the offices of the New York State Department of Health ("the Petitioner"). A Notice of Referral Proceeding and Statement of Charges, dated April 21, 2011, were served upon the Respondent, Joseph Alexander Jackson, IV, D.O.

Pursuant to Section 230(10)(e) of the Public Health Law, Jerry Waisman M.D., Chair, Samuel F. Bosco, M.D. and Thomas W. King, Jr., M.P.A., P.E., duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter. David A. Lenihan, Esq., Administrative Law Judge, served as the Administrative Officer. The Petitioner appeared by James E. Dering, Esq., General Counsel, by Michael G. Bass, Esq., of Counsel. The Respondent, Joseph Alexander Jackson, IV, D.O., did appear, *pro se*, and was duly served. Evidence was received and transcripts of these proceedings were made. After consideration of the entire record, the Hearing Committee issues this Determination and Order.

STATEMENT OF CASE

This case was brought pursuant to Public Health Law Section 230(10) (p). The statute provides for an expedited hearing when a licensee is charged solely with a violation of Education Law Section 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York State or another jurisdiction, or upon a prior administrative adjudication regarding conduct that would amount to professional misconduct, if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In the instant case, the Respondent is charged with professional misconduct pursuant to Education Law §6530(9)(a)(b) by having been found guilty of improper professional misconduct by a duly authorized professional disciplinary agency of another state, where the conduct upon which the finding was based would, if committed in New York State, constitute professional misconduct under the laws of New York State. Specifically, the Respondent was charged with having sexual relations with a patient in the practice of psychiatry. Respondent is also charged with violation New York Education Law §6530(9)(d) by having disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state. Copies of the Notice of Referral Proceeding and the Statement of Charges are attached to this Determination and Order as Appendix 1.

WITNESSES

For the Petitioner: None

For the Respondent: Joseph Alexander Jackson, IV, D.O.

FINDINGS OF FACT

The following Findings of Fact were made after a review of the entire record in this matter. Numbers below in parentheses refer to exhibits, denoted by the prefix "Ex." These citations refer to evidence found persuasive by the Hearing Committee in arriving at a particular finding. Conflicting evidence, if any, was considered and rejected in favor of the cited evidence. All Hearing Committee findings were unanimous.

1. Joseph Alexander Jackson, IV, D.O., the Respondent, did appear at the hearing and was duly served and notified of the hearing, by personal service of process, on April 27, 2011. (Petitioner's Exhibit 2.)
2. Joseph Alexander Jackson, IV, D.O., the Respondent, was authorized to practice medicine in New York State on August 13, 2002, by the issuance of license number 225956 by the New York State Education Department (Petitioner's Ex. 3).
3. On or about April 29, 2010, an Administrative Magistrate with the Division of

Administrative Law Appeals, Commonwealth of Massachusetts, in the matter of Board of Registration in Medicine (hereinafter "Massachusetts Board") v. Joseph A. Jackson, IV, D.O., in a RECOMMENDED DECISION, concluded that the Massachusetts Board had met its burden of proof, that Respondent engaged in conduct which: calls into question his competence to practice medicine, undermines public confidence in the integrity of the medical profession, and engaged in misconduct in the practice of medicine. The Administrative Magistrate concluded that Respondent, a psychiatrist, had engaged in boundary violations that resulted in a sexual encounter with a patient. (Petitioner's Ex. 4).

4. On or about July 21, 2010, the Massachusetts Board, in its PARTIAL FINAL DECISION AS TO FINDINGS OF FACT AND CONCLUSIONS OF LAW ONLY, adopted the aforementioned RECOMMENDED DECISION, with an amendment to paragraph 21 of the decision. (Petitioner's Ex. 4).

5. On or about October 6, 2010, in a FINAL DECISION AND ORDER, the Massachusetts Board, based on the above RECOMMENDED DECISION and FINAL DECISION AS TO FINDINGS OF FACT AND CONCLUSIONS OF LAW ONLY, REVOKED Respondent's license to practice medicine, retroactive to January 22, 2008.

6. The conduct resulting in the Massachusetts Board disciplinary action against Respondent would constitute misconduct under the laws of New York State, pursuant to the following sections of New York State law:

1. New York Education Law Sec. 6530(44) (physical contact between a licensee and a patient in the practice of psychiatry).

VOTE OF THE HEARING COMMITTEE

SPECIFICATIONS

FIRST SPECIFICATION

"Respondent violated New York Education Law §6530(9)(b) by having been found guilty of improper professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state..."

VOTE: Sustained (3-0)

SECOND SPECIFICATION

"Respondent violated New York Education Law §6530(9)(d) by having disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state..."

VOTE: Sustained (3-0)

HEARING COMMITTEE DETERMINATION

The Respondent did appear at the hearing, in person, *pro se*. The Respondent indicated that he was proceeding *pro se* because he had exhausted his financial resources on his defense in Massachusetts. (T. 11). The Administrative Office, after considering the documentary evidence, which included an Affidavit of Personal Service of the Notice of Referral Proceeding and the Statement of Charges (Petitioner's Exhibit 2) ruled that the Petitioner had met the requirements of law for service of process, that jurisdiction had been established over the Respondent and that the hearing could proceed with proper jurisdiction.

The record in this case indicates that the Commonwealth of Massachusetts concluded that the Massachusetts Board had met its burden of proof and found that Respondent had engaged in conduct, which calls into question his competence to practice medicine, and undermines public confidence in the integrity of the medical profession. The Massachusetts Board found that Respondent engaged in misconduct in the practice of medicine in that, as a psychiatrist, the Respondent had engaged in boundary violations that resulted in a sexual encounter with a patient. (Petitioner's Ex. 4).

It is noted that the Massachusetts Board, in its PARTIAL FINAL DECISION AS TO FINDINGS OF FACT AND CONCLUSIONS OF LAW ONLY, adopted the aforementioned RECOMMENDED DECISION and in a FINAL DECISION AND ORDER, the

Massachusetts Board REVOKED Respondent's license to practice medicine, retroactive to January 22, 2008.

The Respondent argued that the Massachusetts decision was improper because the final decision merely borrowed the language from the earlier decision and contained several factual errors, thereby depriving him of due process. (T. 8) The Administrative Officer ruled that the Respondent was attempting to relitigate the Massachusetts decision and he would not allow him to do so, indicating that the proper forum for such an appeal would be in Massachusetts. (T. 10)

As to an appropriate penalty, the Hearing Committee reviewed the entire record and examined the documentation submitted by the Respondent, which included the psychiatric examination report on the Respondent, done by Donald Meyer, M.D. (Respondent's Exhibit B) The panel noted that the Respondent did express remorse for what he had done and recognized that this case was a matter of sex with one patient. The panel took the testimony of the Respondent into account and considered the full range of penalties available and determined that the people of New York State would be protected by a revocation of the Respondent's license.

ORDER

IT IS HEREBY ORDERED THAT:

1. The specifications of professional misconduct, as set forth in the Statement of Charges, are **SUSTAINED**.
2. The license of the Respondent to practice medicine in New York State is **revoked**.
3. This Order shall be effective upon service on the Respondent in accordance with the requirements of Public Health Law Section 230(10)(h).
