MAHBOOB ASLAM, M.D.

MODIFICATION
AGREEMENT
AND
ORDER

Mahboob Aslam, M.D., represents that all of the following statements are true:

That on or about June 9, 2009, I was licensed to practice as a physician in the State of New York and issued License No. 253424 by the New York State Education Department.

My current address is [REDACTED]

and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I am currently subject to BPMC Order # BPMC 19-293 (Attachment I) (henceforth "Original Order"), which was issued upon an Application For Consent Order signed by me on November 20, 2019, (henceforth Original Application"), adopted by the Original Order. I hereby apply to the State Board for Professional Medical Conduct for an Order (henceforth "Modification Order"), modifying the Original Order, as follows:

The sanction imposed in the Original Order was a fine in the amount of \$1,000.00 (One Thousand Dollars). The sanction imposed shall be modified to read as follows:

- to permit me to surrender my license as a physician and to preclude my practice of medicine in the State of New York;

- to substitute a surrender of my license for so much of the penalty as remains for me to serve, as set forth in the Original Order (attached "Attachment I");
- to release me from the condition set forth in the Original Order requiring that I register and continue to be registered with the New York State Education Department and pay all registration fees. By its terms, the condition continues so long as I remain a licensee in New York State; upon the effective date of this Modification Order and the surrender of my license, this condition and requirement shall cease;
- to subject me to the terms and conditions set forth in the attached document entitled "Requirements for Closing a Medical Practice Following a Revocation, Surrender, Limitation or Suspension of a Medical License" (henceforth "Attachment II", which is attached);

and

All remaining Terms and Conditions will continue as written in the Original Order.

I make this Application of my own free will and accord and not under duress, compulsion or restraint, and seek the anticipated benefit of the requested Modification. In consideration of the value to me of the acceptance by the Board of this Application, I knowingly waive my right to contest the Original Order or the Modification Order for which I apply, whether administratively or judicially, and ask that the Board grant this Application.

I understand and agree that the attorney for the Department, the Director of the Office of Professional Medical Conduct and the Chair of the State Board for Professional Medical Conduct each retain complete discretion either to enter into the proposed

agreement and Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

CONSENT
AGREEMENT

MAHBOOB A. ASLAM, M.D., represents that all of the following statements are true:

That on or about June 9, 2009, I was licensed to practice as a physician in the State of New York and issued License No. 253424 by the New York State Education Department.

My current address is [REDACTED] and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one or more specifications of professional misconduct, as set forth in a Statement of Charges, marked as Exhibit "A", attached to and part of this Consent Agreement.

I agree not to contest the allegation, in full satisfaction of the charges against me, and agree to the following penalty:

Pursuant to N.Y. Pub. Health Law §§ 230-a(7) and (9), I shall be subject to a fine in the amount of \$1,000.00 (One Thousand Dollars), to be paid in full

within 30 days of the effective date of this Order. Payments must be submitted to:

Bureau of Accounts Management
New York State Department of Health

Albany, New York 12237

In making such payment, Respondent shall indicate the order number of this Order both on the payment check submitted and on the cover letter accompanying payment. Additionally, Respondent shall simultaneously mail a photocopy of the check and cover letter to:

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall comply with each and every penalty imposed by this Order pursuant to N.Y. Pub. Health Law § 230-a.

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ. Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 120 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall remain in continuous compliance with all requirements of N.Y. Pub. Health Law § 2995-a(4) and 10 NYCRR 1000.5, including but not limited to the requirements that a licensee shall report to the Department all information required by the Department to develop a public physician profile for the licensee, continue to notify the Department of any change in profile information within 30 days of any change (or in the case of optional information, within 365 days of such change); and, in addition to such periodic reports and notification of any changes, update his or her profile information within six months prior to the expiration date of the licensee's registration period. Licensee shall submit changes to his or her physician profile information either electronically using the Department's secure web site or on forms prescribed by the Department, and licensee

shall attest to the truthfulness, completeness and correctness of any changes licensee submits to the Department. This condition shall take effect 30 days after the Order's effective date and shall continue so long as Respondent remains a licensee in New York State. Respondent's failure to comply with this condition, if proven and found at a hearing pursuant to N.Y. Pub. Health Law § 230, shall constitute professional misconduct as defined in N.Y. Educ. Law § 6530(21) and N.Y. Educ. Law § 6530(29). Potential penalties for failure to comply with this condition may include all penalties for professional misconduct set forth in N.Y. Pub. Health Law § 230-a, including but not limited to: revocation or suspension of license, Censure and Reprimand, probation, public service and/or fines of up to \$10,000 per specification of misconduct found; and

That Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Riverview Center, 150 Broadway, Suite 355, Albany, New York 12204-2719, with the following information, in writing, and ensure that this information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility. Respondent shall notify OPMC, in writing, within 30 days of any additions to or changes in the required

information. This condition shall take effect 30 days after the Order's effective date and shall continue at all times until Respondent receives written notification from the Office of Professional Medical Conduct, Physician Monitoring Program, that OPMC has determined that Respondent has fully complied with and satisfied the requirements of the Order, regardless of tolling, and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order.

Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities or other confidential information, if any, redacted. As public documents, they may be posted on the Department's website. OPMC shall report this action to the National Practitioner Data Bank and the Federation of State Medical Boards, and any other entities that the Director of OPMC shall deem appropriate.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially. I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.
