CONCLUSIONS OF LAW

1. The Board has jurisdiction over the subject matter and Respondent pursuant to the Act.
2. Section 164.051(a)(3) of the Act authorizes the Board to take disciplinary action against Respondent based on Respondent's violation of a rule adopted under this Act, specifically Board Rule 165.1(a), rules regarding the maintenance of adequate medical records.

To obtain approval for the course, Respondent shall submit in writing to the Compliance Division of the Board information on the course, to include at least a reasonably detailed description of the course content and faculty, as well as the course location and dates of instruction. If Respondent leaves Texas to practice elsewhere or ceases active practice for more than 60 consecutive days, Respondent shall

immediately notify the Board in writing. Upon Respondent's return to active practice or return to practice in Texas, Respondent shall notify the Board in writing. When the period of extension ends, Respondent shall be required to comply with the terms of this Order for the period of time remaining on the Order. Respondent shall pay all fees for reinstatement or renewal of a license covering the period of extension or tolling.

3. Respondent shall comply with all the provisions of the Act and other statutes regulating the Respondent's practice.

4. Respondent shall fully cooperate with the Board attorneys, investigators, compliance officers, consultants, and other employees or agents of the Board in any way involved in investigation, review, or monitoring associated with Respondent's compliance with this Order.

5. Any violation of the terms, conditions, or requirements of this Order by Respondent shall constitute unprofessional conduct likely to deceive or defraud the public, or to injure the public, and shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act.

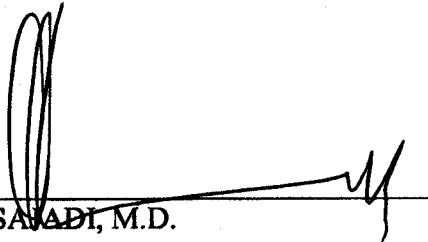

6. Respondent shall be permitted to supervise and delegate prescriptive authority to physician assistants and advanced practice nurses and to supervise surgical assistants.

7. This Order shall automatically terminate upon Respondent's submission of sufficient evidence to the Compliance Division of the Board that Respondent successfully completed the requirements ordered in Ordering Paragraph No. 1.
