

LICENSE NO. D-8195

IN THE MATTER OF
THE LICENSE OF
JERRY WAYNE DODSON, M.D.

BEFORE THE
TEXAS MEDICAL BOARD

AGREED ORDER

On the 4TH day of FEBRUARY, 2011, came on to be heard before the Texas Medical Board (the "Board"), duly in session, the matter of the license of Jerry Wayne Dodson, M.D. ("Respondent").

On November 22, 2010, Respondent appeared in person, with counsel John Judge, at an Informal Show Compliance Proceeding and Settlement Conference in response to a letter of invitation from the staff of the Board. The Board's representatives were Michael Arambula, M.D., a member of the Board, and Sharon J. Barnes, a member of a District Review Committee. Amy E. McNamara represented Board staff.

BOARD CHARGES

Board Staff charged that Respondent did not maintain adequate medical record documentation in his psychiatric treatment of an adolescent.

BOARD HISTORY

Respondent has not previously been the subject of disciplinary action by the Board.

Upon the recommendation of the Board's representatives and with the consent of Respondent, the Board makes the following Findings and Conclusions of Law and enters this Agreed Order.

FINDINGS

The Board finds the following:

1. General Findings:

- a. Respondent received all notice required by law. All jurisdictional requirements have been satisfied. Respondent waives any defect in notice and any further right to notice or hearing under the Medical Practice Act, Title 3, Subtitle B, Texas Occupations Code (the "Act") or the Rules of the Board.
- b. Respondent currently holds Texas Medical License No. D-8195. Respondent was originally issued this license to practice medicine in Texas on August 21, 1971. Respondent is not licensed to practice in any other state.
- c. Respondent is primarily engaged in child and adolescent psychiatry. Respondent is certified by the American Board of Psychiatry and Neurology, a member board of the American Board of Medical Specialties.
- d. Respondent is 66 years of age.

2. Specific Panel Findings:

1. The medical record was lacking documentation regarding: a differential diagnosis for Respondent's patient's behavioral symptoms; psychodynamic history to support Respondent's clinical assessment that the patient's mother's actions were causally related to the patient's problems; the clinical rationale for Respondent's chosen therapeutic approach; the assessment of clinical attachment before stressing that attachment in therapy; and the clinical rationale for sharing Respondent's own similar history with the patient in order to facilitate his clinical goals.
2. Respondent's documentation did not support his clinical reasoning and justification given at the ISC for his treatment approach, treatment goals, and interpersonal communications. Respondent's treatment approach can be a valid, therapeutic tool; however, it requires proper documentation to meet the requirements of the Medical Practice Act and Board Rules.

3. Mitigating Factor:

In determining the appropriate sanctions in this matter, the Panel considered that Respondent has cooperated in the investigation of the allegations related to this Agreed Order. Respondent's cooperation, through consent to this Agreed Order, pursuant to the provisions of Section 164.002 the Act, will save money and resources for the State of Texas. To avoid further investigation, hearings, and the expense and inconvenience of litigation, Respondent agrees to the entry of this Agreed Order and to comply with its terms and conditions.

CONCLUSIONS OF LAW

Based on the above Findings, the Board concludes that:

1. The Board has jurisdiction over the subject matter and Respondent pursuant to the Act.
2. Section 164.051(a)(3) of the Act authorizes the Board to take disciplinary action against Respondent based on Respondent's violation of a Board rule, specifically Board Rule(s): 165.1, which requires the maintenance of adequate medical records.
3. Section 164.001 of the Act authorizes the Board to impose a range of disciplinary actions against a person for violation of the Act or a Board rule.
4. Section 164.002(a) of the Act authorizes the Board to resolve and make a disposition of this matter through an Agreed Order.
5. Section 164.002(d) of the Act provides that this Agreed Order is a settlement agreement under the Texas Rules of Evidence for purposes of civil litigation.

ORDER

Based on the above Findings of Fact and Conclusions of Law, the Board ORDERS that Respondent shall be subject to the following terms and conditions:

1. Within one year following the date of the entry of this Order, Respondent shall enroll in and successfully complete at least 16 hours of continuing medical education ("CME") in the following subjects: eight hours of CME in the subject of medical record-keeping; and eight hours of CME in the subject of physician-patient communication. The CME shall be approved for Category I credits by the American Medical Association or American Osteopathic Association and approved in writing in advance by the Compliance Division of the Board. To obtain approval for the course, Respondent shall submit in writing to the Compliance Division of the Board information on the course, to include at least a reasonably detailed description of the course content and faculty, as well as the course location and dates of instruction. Respondent shall submit documentation of attendance and successful completion of this requirement to the Compliance Division of the Board on or before the expiration of the time limit set forth for completion of the course. The CME requirements set forth in this paragraph shall be in addition to all other CME required for licensure maintenance.

2. Respondent shall pay an administrative penalty in the amount of \$1,000 within 60 days of the date of the entry of this Order. The administrative penalty shall be paid in a single payment by cashier's check or money order payable to the Texas Medical Board and shall be submitted to the Board for routing so as to be remitted to the Comptroller of Texas for deposit in the general revenue fund. Respondent's failure to pay the administrative penalty as ordered shall constitute grounds for further disciplinary action by the Board, and may result in a referral by the Executive Director of the Board for collection by the Office of the Attorney General.

3. Respondent shall comply with all the provisions of the Act and other statutes regulating the Respondent's practice.

4. Respondent shall fully cooperate with the Board and the Board staff, including Board attorneys, investigators, compliance officers, consultants, and other employees or agents of the Board in any way involved in investigation, review, or monitoring associated with Respondent's compliance with this Order. Failure to fully cooperate shall constitute a violation

of this order and a basis for disciplinary action against Respondent pursuant to the Act.

5. Respondent shall inform the Board in writing of any change of Respondent's office or mailing address within 10 days of the address change. This information shall be submitted to the Registration Department and the Compliance Department of the Board. Failure to provide such information in a timely manner shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act. Respondent agrees that 10 days notice of a Probationer Show Compliance Proceeding to address any allegation of non-compliance of this Agreed Order is adequate and reasonable notice prior to the initiation of formal disciplinary action. Respondent waives the 30-day notice requirement provided by §164.003(b)(2) of the Medical Practice Act and agrees to 10 days notice, as provided in 22 Texas Administrative Code §187.44(4).

6. Any violation of the terms, conditions, or requirements of this Order by Respondent shall constitute unprofessional conduct likely to deceive or defraud the public, or to injure the public, and shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act.

7. Respondent shall be permitted to supervise and delegate prescriptive authority to physician assistants and advanced practice nurses and to supervise surgical assistants.

8. This Order shall automatically terminate upon Respondent's submission of sufficient evidence to the Compliance Division of the Board that Respondent successfully completed the requirements ordered in Ordering Paragraph Nos. 1 and 2.

RESPONDENT WAIVES ANY FURTHER HEARINGS OR APPEALS TO THE BOARD OR TO ANY COURT IN REGARD TO ALL TERMS AND CONDITIONS OF THIS AGREED ORDER. RESPONDENT AGREES THAT THIS IS A FINAL ORDER.

THIS ORDER IS A PUBLIC RECORD.
