ORDER

On the 4th day of December, 1997, came on to be heard before representatives of the Texas State Board of Medical Examiners ("the Board"), the petition of Dana Andrew Butler, M.D. ("Petitioner") requesting termination of a Board Order entered on December 9, 1995 and pertaining to Petitioner's Texas medical license G-3203.

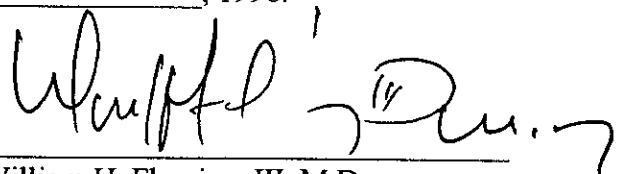

Petitioner appeared in person, without counsel, before representatives R. Russell Thomas, Jr, D.O., a member of the Board, and Robert C. Henderson II, M.D., a District Review Committee member. Information concerning the petition was considered and Petitioner argued for termination of the Order.

Because the Order was in response to a single patient issue over ten (10) years ago, and based on changes which Petitioner has effected in his office practice and based on Petitioner's history of compliance with the terms and conditions of his December 9, 1995 Order, the Board representatives recommend that the termination request be GRANTED.

Based on the available information and the recommendation of the Board representatives, the Board ORDERS that the Petition is GRANTED and the Order is hereby TERMINATED.

THIS IS A PUBLIC RECORD.

Signed and entered on this the 7 day of February, 1998.

William H. Fleming, III, M.D.
President, Texas State Board of
Medical Examiners
