

IN THE MATTER OF

THE LICENSE OF

CHRISTOPHER LEE BOEHME, M.D.

BEFORE THE STATE OFFICE

OF

ADMINISTRATIVE HEARINGS

AGREED ORDER ON FORMAL FILING

On the 19 day of October, 2018, came on to be heard before the Texas Medical Board (the Board), duly in session, the matter of the license of Christopher Lee Boehme, M.D. (Respondent).

On May 16, 2016, Respondent appeared in person, with counsel Clyde W. Burlison, at an Informal Show Compliance Proceeding and Settlement Conference in response to a letter of invitation from the staff of the Board. The Board's representatives were George Willeford, III, M.D., a member of the Board, and Nancy M. Seliger, a member of a District Review Committee (Panel). Heather Detrixhe Barham represented Board staff.

On May 5, 2017, Board Staff filed a complaint at the State Office of Administrative Hearings. The case was assigned Docket No. 503-17-3981.MD. Before a formal Hearing on the Merits was held, the parties reached an agreement, settling all outstanding issues. The terms of this agreement are set out below.

BOARD CHARGES

Board Staff alleged that Respondent was, for a time, unable to practice medicine with reasonable skill and safety due to illness and abuse of alcohol. Staff also alleged that Respondent failed to cooperate with the Texas Physician Health Program (PHP).

BOARD HISTORY

Respondent has not previously received a disciplinary order from the Board.

Upon the recommendation of the Board's representatives and with the consent of Respondent, the Board makes the following Findings and Conclusions of Law and enters this Agreed Order.

FINDINGS

The Board finds the following:

1. General Findings:

- a. Respondent received all notice required by law. All jurisdictional requirements have been satisfied. Respondent waives any defect in notice and any further right to notice or hearing under the Medical Practice Act, Title 3, Subtitle B, Texas Occupations Code (the Act) or the Rules of the Board.
- b. Respondent currently holds Texas Medical License No. M-0666. Respondent was originally issued this license to practice medicine in Texas on April 8, 2005. Respondent is not licensed to practice in any other state.
- c. Respondent is primarily engaged in the practice of Psychiatry. Respondent is not board certified.
- d. Respondent is 48 years of age.

2. Specific Panel Findings:

- a. Respondent was, for a time, unable to practice medicine with reasonable skill and safety due to illness and abuse of alcohol.
- b. Respondent did not cooperate with PHP following a referral from the Board.

3. Mitigating Factors:

- a. In determining the appropriate sanctions in this matter, the Panel considered the following mitigating factors:
 - i. Respondent missed a deadline to cooperate with PHP because he was out of town caring for a terminally ill family member. He did not intentionally fail to comply.
 - ii. Respondent has cooperated in the investigation of the allegations related to this Agreed Order. Respondent neither admits nor denies the information given above. To avoid further investigation, hearings, and the expense and inconvenience of litigation, Respondent agrees to the entry of this Agreed Order and to comply with its terms and conditions.

CONCLUSIONS OF LAW

Based on the above Findings, the Board concludes that:

1. The Board has jurisdiction over the subject matter and Respondent pursuant to the Act.
2. Section 164.051(a)(1) of the Act authorizes the Board to take disciplinary action against Respondent for commission of an act prohibited under Section 164.052 of the Act.
3. Section 164.051(a)(4) of the Act authorizes the Board to take disciplinary action against Respondent due to his inability to practice medicine with reasonable skill and safety to patients because of drunkenness.
4. Section 164.052(a)(4) of the Act authorizes the Board to take disciplinary action against Respondent for use of alcohol in an intemperate manner that, in the opinion of the Board, could endanger the lives of patients.
5. Section 164.052(a)(5) of the Act authorizes the Board to take disciplinary action against Respondent for unprofessional or dishonorable conduct that is likely to deceive or defraud the public, as provided by §164.053, or injure the public.
6. Section 164.001 of the Act authorizes the Board to impose a range of disciplinary actions against a person for violation of the Act or a Board rule.
7. Section 164.002(a) of the Act authorizes the Board to resolve and make a disposition of this matter through an Agreed Order.
8. Section 164.002(d) of the Act provides that this Agreed Order is a settlement agreement under the Texas Rules of Evidence for purposes of civil litigation.

ORDER

Based on the above Findings and Conclusions of Law, the Board ORDERS that Respondent shall be subject to the following terms and conditions:

1. Respondent is publicly referred to the Texas Physician Health Program.
2. Independent Medical Evaluation. Upon entry of this Order, the Executive Director of the Board will designate a physician who is board certified in psychiatry to serve as the Board's

evaluating psychiatrist. Within 30 days thereafter, Respondent shall submit to and obtain an independent medical evaluation from the evaluating psychiatrist.

 - (3) Mental status exam;
 - (4) Review of records and other pertinent information;
 - (5) Current DSM multiaxial diagnosis, and

- (b) The Compliance Division of the Board shall furnish a copy of this Order to the evaluating psychiatrist, who shall make a full report to the Board regarding the evaluating psychiatrist's evaluation of Respondent and recommendations.
- (c) Respondent shall pay all fees charged by the evaluating psychiatrist.
- (d) Respondent shall follow all recommendations made by the evaluating psychiatrist regarding continued care and treatment.
- (e) Respondent's failure to cooperate with the evaluating psychiatrist or failure to follow the evaluating psychiatrist's recommendations shall constitute a violation of this Order.
- (f) If the evaluating psychiatrist recommends continued care and treatment for Respondent, the Executive Director shall notify the Respondent to submit letters from up to three physicians who are board certified in psychiatry and who agree to serve as Respondent's approved treating psychiatrist within 30 days.
 - (1) The letters from proposed treating psychiatrist(s) shall state that they:
 - a. have been provided a copy of this Order;
 - b. agree to provide psychiatric treatment to Respondent; and
 - c. agree to provide periodic reports regarding Respondent's compliance with treatment and rehabilitation to (i) the

Compliance Division of the Board or (ii) an independent monitoring psychiatrist.

- (2) A proposed treating psychiatrist may not be approved unless the proposed treating psychiatrist agrees to provide periodic reports either to the Compliance Division of the Board or to an independent monitoring psychiatrist.
- (3) The Executive Director may reject all of the proposed treating psychiatrists and require the submission of additional letters or approve one or more to be the approved treating psychiatrist.
- (4) Respondent shall begin the recommended care and treatment within 30 days after notification of approval of the treating psychiatrist.
- (5) Respondent shall pay all fees charged by the treating psychiatrist.
- (6) Respondent shall follow all recommendations made by the treating psychiatrist regarding continued care and treatment.
- (7) Board staff may furnish to the treating psychiatrist any Board information that it determines, in its discretion, may be helpful or required for the treatment of Respondent.
- (8) The treating psychiatrist shall provide periodic written reports no less than quarterly, on March 15, June 15, September 15, and December 15 of each year, during Respondent's treatment, either directly to the Compliance Division of the Board or to an independent monitoring psychiatrist. Periodic reports shall include: (a) current diagnosis; (b) treatment regimen; (c) treatment compliance; (d) follow-up recommendations; and (e) prognosis. The Compliance Division of the Board or an independent monitoring psychiatrist may request clarification of periodic reports and may request additional reports.
- (9) The treating psychiatrist may require Respondent to participate in alcohol and/or drug screens and shall immediately report any positive results either directly to the Compliance Division of the Board or to an independent monitoring psychiatrist.

- (10) The treating psychiatrist shall immediately report, either directly to the Compliance Division of the Board or to an independent monitoring psychiatrist, any unilateral withdrawal from treatment by Respondent.
- (11) Respondent shall execute any and all releases for medical records and authorizations necessary to effectuate the provisions of this Order.
- (12) Respondent's failure to cooperate with the treating psychiatrist or failure to follow the treating psychiatrist's recommendations shall constitute a violation of this Order.

3. At all times while Respondent is under the terms of this Order, Respondent shall give a copy of this Order to all hospitals, nursing homes, treatment facilities, and other health care entities where Respondent has privileges, has pending an application for privileges, applies for privileges, or otherwise practices. Within 30 days of being first being contacted by the Compliance Division of the Board following entry of this Order, Respondent shall provide to the Compliance Division of the Board documentation, including proof of delivery that the Order was delivered to all such facilities.

4. The time period of this Order shall be extended for any period of time that: (a) Respondent subsequently practices exclusively outside the State of Texas; (b) Respondent's license is subsequently cancelled for nonpayment of licensure fees; (c) this Order is stayed or enjoined by Court Order; or (d) for any period of time longer than 60 consecutive days that Respondent does not actively practice medicine. If Respondent leaves Texas to practice elsewhere or ceases active practice for more than 60 consecutive days, Respondent shall immediately notify the Board in writing. Upon Respondent's return to active practice or return to practice in Texas, Respondent shall notify the Board in writing. When the period of extension ends, Respondent shall be required to comply with the terms of this Order for the period of time remaining on the Order. Respondent shall pay all fees for reinstatement or renewal of a license covering the period of extension or tolling.

5. Respondent shall comply with all the provisions of the Act and other statutes regulating the Respondent's practice.

6. Respondent shall fully cooperate with the Board and the Board staff, including Board attorneys, investigators, compliance officers, consultants, and other employees or agents of the Board in any way involved in investigation, review, or monitoring associated with Respondent's compliance with this Order. Failure to fully cooperate shall constitute a violation of this order and a basis for disciplinary action against Respondent pursuant to the Act.

7. Respondent shall inform the Board in writing of any change of Respondent's office or mailing address within 10 days of the address change. This information shall be submitted to the Registration Department and the Compliance Department of the Board. Failure to provide such information in a timely manner shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act. Respondent agrees that 10 days' notice of a Probationer Show Compliance Proceeding to address any allegation of non-compliance of this Agreed Order is adequate and reasonable notice prior to the initiation of formal disciplinary action. Respondent waives the 45-day notice requirement provided by §164.003(b)(2) of the Medical Practice Act and agrees to 10 days notice, as provided in 22 Texas Administrative Code §187.44(4).

8. Any violation of the terms, conditions, or requirements of this Order by Respondent shall constitute unprofessional conduct likely to deceive or defraud the public, or to injure the public, and shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act.

9. Respondent shall be permitted to supervise and delegate prescriptive authority to physician assistants and advanced practice nurses and to supervise surgical assistants.

10. This Order shall automatically terminate upon Respondent's submission of sufficient evidence to the Compliance Division of the Board that Respondent successfully completed the requirements ordered in Ordering Paragraphs No. 1 and 2.

RESPONDENT WAIVES ANY FURTHER HEARINGS OR APPEALS TO THE BOARD OR TO ANY COURT IN REGARD TO ALL TERMS AND CONDITIONS OF THIS AGREED ORDER. RESPONDENT AGREES THAT THIS IS A FINAL ORDER.

THIS ORDER IS A PUBLIC RECORD.
