1. Within one year following the date of the entry of this Agreed Order, Respondent shall take and pass with a score of 75 or above the Medical Jurisprudence Examination ("JP Exam") given by the Texas Medical Board. Respondent is allowed three attempts to successfully pass this examination.

Respondent's failure to take and pass the JP Exam within three attempts within one year following the date of the entry of this Agreed Order shall constitute a violation of this Agreed Order. After a committee of the Board or a panel of Board representatives (Board Representatives), has considered the information related to Respondent's violation of this provision and has determined that Respondent has not fulfilled the requirements of this provision, Respondent's medical license shall be **IMMEDIATELY SUSPENDED** pursuant to correspondence to Respondent from the Executive Director or Secretary-Treasurer of the Board indicating that Board Representatives have considered the information related to Respondent's violation of this provision and have determined that Respondent has not fulfilled the requirements of this provision. Although Respondent shall be invited to provide information or testimony to the Board Representatives, Respondent specifically waives any administrative due process under the Medical Practice Act, or the Administrative Procedure Act, for the Board Representatives to consider this information. **THIS SUSPENSION SHALL BE EFFECTIVE WITHOUT THE NEED FOR A HEARING AT THE STATE OFFICE OF ADMINISTRATIVE HEARINGS OR OTHER ADMINISTRATIVE DUE PROCESS UNDER THE MEDICAL PRACTICE ACT OR THE ADMINISTRATIVE PROCEDURE ACT, AND RESPONDENT SPECIFICALLY WAIVES ANY SUCH HEARING OR DUE PROCESS AND ALL RIGHTS OF APPEAL.** Respondent shall be notified of any suspension by certified mail, return receipt requested to Respondent's last known address on file with the Board. If Respondent's license is suspended on such a basis, the suspension shall remain in effect until such time as Respondent takes and passes the JP Exam and subsequently appears before the Board in person and provides sufficient evidence which, in the discretion of the Board, is adequate to show that Respondent possesses the skills and knowledge to safely practice in Texas and is otherwise physically and mentally competent to resume the practice in this state.

2. Within one year from the date of the entry of this Order, Respondent shall enroll in and successfully complete at least 16 hours of continuing medical education ("CME") approved for Category I credits by the American Medical Association or the American Osteopathic Association, with eight hours in-person in the topic of prescribing with a focus on controlled substances, four hours in-person in the topic of ethics, and four hours in the topic of risk management, approved in writing in advance by the Executive Director or an authorized designee. To obtain approval for the course, Respondent shall submit in writing to the

Compliance Department information on the course, to include at least a reasonably detailed description of the course content and faculty, as well as the course location and dates of instruction. Respondent shall submit documentation of attendance and successful completion of this requirement to the Compliance Department on or before the expiration of the time limit set forth for completion of the course. The CME requirements set forth in this paragraph shall be in addition to all other CME required for licensure maintenance.

3. Respondent shall pay an administrative penalty in the amount of \$500 within 60 days of the date of the entry of this Order. The administrative penalty shall be paid in a single payment by cashier's check or money order payable to the Texas Medical Board and shall be submitted to the Board for routing so as to be remitted to the Comptroller of Texas for deposit in the general revenue fund. Respondent's failure to pay the administrative penalty as ordered shall constitute grounds for further disciplinary action by the Board, and may result in a referral by the Executive Director of the Board for collection by the Office of the Attorney General.

6. Respondent shall fully cooperate with the Board and the Board staff, including Board attorneys, investigators, compliance officers, consultants, and other employees or agents of the Board in any way involved in investigation, review, or monitoring associated with Respondent's compliance with this Order. Failure to fully cooperate shall constitute a violation of this order and a basis for disciplinary action against Respondent pursuant to the Act.

7. Respondent shall inform the Board in writing of any change of Respondent's office or mailing address within 10 days of the address change. This information shall be submitted to the Registration Department and the Compliance Department of the Board. Failure to provide such information in a timely manner shall constitute a basis for disciplinary action by

the Board against Respondent pursuant to the Act. Respondent agrees that 10 days notice of a Probationer Show Compliance Proceeding to address any allegation of noncompliance of this Agreed Order is adequate and reasonable notice prior to the initiation of formal disciplinary action. Respondent waives the 45-day notice requirement provided by §164.003(b)(2) of the Medical Practice Act and agrees to 10 days notice, as provided in 22 Texas Administrative Code §187.44(4).

8. Any violation of the terms, conditions, or requirements of this Order by Respondent shall constitute unprofessional conduct likely to deceive or defraud the public, or to injure the public, and shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act.

9. Respondent shall be permitted to supervise and delegate prescriptive authority to physician assistants and advanced practice nurses and to supervise surgical assistants.

10. This Order shall automatically terminate upon Respondent's submission of sufficient evidence to the Compliance Division of the Board that Respondent successfully completed the requirements ordered in Ordering Paragraph Nos. 1-4.
