Dear Dr. Parker:

This letter is official notification that an informal conference of the Virginia Board of Medicine ("Board") will be held on **Wednesday, April 23, 2003, at 9:30 a.m., at the Williamsburg Marriott, 50 Kingsmill Road, Williamsburg, Virginia.** The conference will be conducted pursuant to Sections 54.1-2919, 2.2-4019 and 2.2-4021 of the Code of Virginia (1950), as amended ("Code").

An Informal Conference Committee ("Committee"), composed of three members of the Board, will inquire into allegations that you may have violated certain laws governing the practice of osteopathy in Virginia. Specifically, you may be in violation of Section 54.1-2915.A(4) and (3), as further defined in Section 54.1-2914.A(3), (5), (11) and (12), Section 54.1-3303 and Section 54.1-3408 of the Code (1950), as amended ("Code"), in that, on or about January 8, 2002, outside of a bona fide physician/patient relationship and with the intent to evade the law with respect to the sale and disposition of a controlled substance, you fraudulently prescribed Dexedrine, a Schedule II controlled substance, for a family member under a false or fictitious name. Further, between June 2000, and March 2002, you prescribed Schedule VI controlled substances including Tetracycline and Acyclovir on various occasions to the same family member.

The following actions may be taken by this Committee:

1. If a majority of the Committee is of the opinion that a suspension or revocation of your license may be justified, the Committee shall present to the Board in writing its findings, and the Board may proceed with a formal hearing.

2. The Committee may notify you in writing that you are fully exonerated of any charge that might affect your right to practice osteopathy in Virginia.
3. The Committee may reprimand or censure you.
4. The Committee may impose a monetary penalty pursuant to Section 54.1-2401 of the Code.
5. The Committee may place you on probation for such time as it may designate and direct that during such period you furnish the Committee or its chairman, at such intervals as the Committee may direct, evidence that you are not practicing in violation of the provisions of Chapter 29, Title 54.1 of the Code, which governs the practice of osteopathy in Virginia.

In lieu of proceeding to the above informal conference, the Board hereby offers to enter into the enclosed Consent Order with you. Please review this document and should you consent to its terms, signed the Consent Order before a notary public. In order for it to become effective, you must return this original Consent Order, bearing your witnessed signature, to the Board office by 12 noon on March 24, 2003. You will receive a certified copy shortly thereafter. Should the Board not receive this Consent Order from you by 12:00 noon on March 24, 2003, the Board will proceed with the informal conference as described herein.

You have the right to information, which will be relied upon by the Committee in making a decision. Therefore, I enclose a copy of the documents, which will be distributed to the members of the Committee, and will be considered by the Committee when discussing the allegations with you and when deliberating upon your case. These documents are enclosed only with the original notice sent by certified mail, and must be claimed at the post office. You may be represented by an attorney at the informal conference. The enclosed materials have also been provided to your attorney, Robert F. McDonnell, Esquire.

Absent good cause shown to support a request for a continuance, the informal conference will be held on April 23, 2003. A request to continue this proceeding must state in detail the reason for the request and must establish good cause. Such request must be made in writing to me at the address listed on this letter and must be received by 12 noon on March 26, 2003. Only one such motion will be considered. Absent exigent circumstances, such as personal or family illness, a request for a continuance after March 26, 2003, will not be considered.

To facilitate this proceeding, you must submit eight (8) copies of any documents you wish for the Committee to consider to Reneé S. Dixson, Discipline Case Manager, Virginia Board of Medicine, 6603 West Broad Street, 5th Floor, Richmond, Virginia 23230-1717, by 12 noon on April 2, 2003. Your documents may not be submitted by facsimile or e-mail. Should
