Dear Dr. Dillon:

This letter is official notification that an informal conference of the Virginia Board of Medicine ("Board") will be held on **Tuesday, April 10, 2007, at 11:30 a.m., at the Holiday Inn Select, 2801 Plank Road, Fredericksburg, Virginia.** The conference will be conducted pursuant to Sections 54.1-2400(10), 2.2-4019 and 2.2-4021 of the Code of Virginia (1950), as amended ("Code").

A Special Conference Committee ("Committee") will inquire into allegations that you may have violated certain laws and regulations governing the practice of medicine in Virginia. Specifically:

1. You may have violated Section 54.1-2915.A(13), 54.1-2915.A(16) of the Code and, for conduct in practice from October 19, 2005, you may have further violated Section 54.1-2915.A(12) and 54.1-2915.A(18) of the Code and 18 VAC 85-20-29(3) of the Virginia Board of Medicine Regulations in your conduct with respect to Patient A, a physician to whom you provided psychiatric treatment in 2004. Specifically,

a. During September and October 2005, on three occasions, you telephoned Patient A to insist that Patient A write a letter of complaint regarding a psychologist who had treated him.

b. On or about September 30, 2005, you wrote a letter to Patient A, again to insist he write a letter of complaint regarding a psychologist who had treated him. In that letter you referenced that you had been fired because of circumstances related to

that psychologist. Further, you included with that letter a copy of the psychologist's treatment note of Patient A.

c. On or about November 2, 2005, you wrote a letter to Patient A in which you called Patient A a pathological liar and a malingerer who feigns psychiatric symptoms, as well as making other derogatory and inflammatory statements about Patient A's conduct and character. Further, you threatened Patient A that you would repeat such statements to the media, to Patient A's landlord and neighboring offices, and to Patient A's patients.

2. You may have violated Section 54.1-2915.A(16) of the Code, in that, you copied portions of Patient A's medical records and kept those records in your possession after you were terminated from employment at the treatment facility in August 2005.

Please see Attachment I for the name of the patient referenced above.

After consideration of all information, the Committee may:

1. Exonerate you;
2. Place you on probation with such terms it deems appropriate.
3. Reprimand you;
4. Modify a previous Order; and
5. Impose a monetary penalty pursuant to Section 54.1-2401 of the Code.

Further, the Committee may refer this matter for a formal administrative proceeding when it has failed to dispose of a case by consent pursuant to Section 2.2-4019 of the Code.

You have the right to information that will be relied upon by the Committee in making a decision. Therefore, I enclose a copy of the documents that will be distributed to the Committee for its consideration when discussing the allegations with you and when deliberating upon your case. These documents are enclosed only with the original notice sent by certified mail, and must be claimed at the post office. Further, if you retain counsel, it is your responsibility to provide the enclosed materials to your attorney.

To facilitate this proceeding, you must submit eight (8) copies of any documents you wish for the Committee to consider to Reneé S. Dixon, Discipline Case Manager, Virginia Board of Medicine, 6603 West Broad Street, 5<sup>th</sup> Floor, Richmond, Virginia 23230-1717, by **March 20, 2007**. Your documents may not be submitted by facsimile or e-mail. Should you or Adjudication Specialist Virginia Scher wish to submit any documents for the Committee's consideration after **March 20, 2007**, such documents shall be considered only upon a ruling by the Chair of the Committee that good cause has been shown for late submission.

You may be represented by an attorney at the informal conference. If you obtain counsel, you should do so as soon as possible, because absent good cause to support a request for a continuance, the informal conference will be held on April 10, 2007. A request to continue this proceeding must state **in detail** the reason for the request and must establish good cause. Such request must be made, in writing, to me at the address listed on this letter and must be received by **March 16, 2007**. Only one such motion will be considered. Absent exigent circumstances, such as personal or family illness, a request for a continuance after **March 16, 2007**, will not be considered
